RE: Review of Southwestern Fair Commission Improvement Proposal for Pima County Fairgrounds RV Park Redevelopment

Dear Mr. Moulton,

Pima County Facilities Management Department (FMD) has reviewed the submittal of the existing RV Park Redevelopment scope which includes a new RV office with showers, laundry and restrooms as well as 100 improved RV spaces with full hook-up capacity. . FMD approves the proposed improvement concept as presented in the documents by JAS Engineering dated 5/19/16.

The building structure elements are subject to review, building permits and inspection as may be required by Pima County Development Services Department. Any additional permits for grading, site improvements and SWPPP (storm water pollution prevention plan) shall be the responsibility of the contracting parties.

This letter is not intended as approval to start work.
Please do not hesitate to contact Facilities Management with any questions regarding this approval.

Respectfully,

Gary A. Campbell, R.A.
Facilities Management Deputy Director

C: Lisa Josker, FMD Director
Yves Khawam, Chief Building Official
