RE: Support for October 18, 2016, BOS Agenda Items to Implement the MSCP

Dear Chair Bronson and Members of the Board:

At its full commission meeting on October 12, 2016, the Tucson-Pima County Historical Commission directed me to write to express the Commission's unanimous support for the October 18, 2016, BOS agenda items regarding implementation of the Multi-Species Conservation Plan (MSCP) to fulfill the requirements of the Endangered Species Act Section 10(A)(1)(B) Permit, which was granted after nearly two decades of research, planning, and cooperation on July 13, 2016. Approval of the proposed items regarding restrictive covenants and affirmation of County parks (per Mr. Huckelberry's revised memo to you of October 14) is foundational to fulfilling the obligations of the MSCP and to the electorate, and we respectfully request that you approve these and related agenda items on October 18, 2016.

Sincerely,

Teresita Majewski, Chair
Tucson-Pima County Historical Commission
