## **Addendum Item #4 Covid Vaccination for Employees/Vulnerable Populations**

Vaccination Mandates should not be promoted by Pima County Board of Supervisors. Our local government, YOU, should not be mandating medical decisions for our employees or any resident in Pima County. When will you stop your overreach into private personal decisions? Vote NO on this mandate.

Following is my comment for the 11-02-21 Meeting

**Addendum Item #4 Covid Vaccination for Employees/Vulnerable Populations**

Vaccination Mandates should not be demanded by Pima County Board of Supervisors. You do not have the right to make these decision for residents of Pima County, and at same-time you are allowing (and providing services) for illegals with many health issues in Pima County. This is way beyond you authority. **No mandates. Vote NO.**
