**\*Introduction/Background:**

A.R.S. § 49-391(C) provides that a public comment period of 30 days must be provided before any pretreatment Consent Decree or Negotiated Settlement Agreement (NSA) is made final. Publication of the announcement on the June 20, 2023, agenda will meet the requirement for the action listed below.

**\*Discussion:**

The Department and True Blue propose an NSA to settle violations of the County's wastewater discharge limitations at True Blue's facility located at 4300 West Ina Road. As part of the agreement, True Blue will pay a total of \$800.00.

**\*Conclusion:**

The Department complies with A.R.S. § 49-391(C) and its industrial wastewater pretreatment enforcement program requiring a public comment period of 30 days before the Negotiated Settlement Agreement is made final.
