Would you pls. forward this to Mr. Dylan Smith.

This evening I registered to comment on Tucson Sentinel articles. I received the below email but the page says there is an error.

This in my comment for the "Huckelberry retired 9 months ago" story by Mr. Smith. Would someone pls. add it as a comment for his story? Thank

YOU. https://www.tucson sentinel.com/local/report/040422_huckelberry_retirement/huckelberry-retired-9-mos-ago-withheld-info-from-pima-county-supervisors/

"As a former member of the Dane County board of supervisors in WI, I find that Pima County how has a major problem. It is unfair to taxpayers and Pima County workers for a Co. Exec. to retire and then be hired as a consultant are extremely high pay collecting a state pension of a massive amount and a massive consultant's salary. Our president of the United States does not earn that much!

Secondly, any contract that would allow/permit a person to retire when he/she wishes and then, on one's own volition, continue on the county payroll as a consultant at high pay is flawed both morally and probably legally.

I have never met Mr. Huckelberry and during the 6 years I have lived in Tucson he seems to be competent. As a retiree I am very sorry about his accident and injuries.

But the fair thing for the county is for the county to accept his retirement and cancel his consultant job.

He was the lead administrator for the county in the labor management contract talks for decades I presume.

If a police officer or a fire chief or a garbage truck driver were to be able to receive his/her retirement pay and be able to say that in addition to retiring I think I will stay on as a county worker as a full or part time consultant at very high pay, that county worker would be told by top management that sorry that is not the way we do things around here.

Thus I think the County Board must unwind Mr. Huckelberry's contract and do what is right. Accept his retirement, wish him well and thank him for his service to the residents of Pima county and the state of Arizona.

Peace!

Comments	Dear Supv Christy I am flabbergasted by the hubrus that Huckelberry has shown. I want to see his separate contract for employment after his resignation as the Administrator removed. I want Supv Bronson censured by the Board for holding info that is vital for Board operations since she

knew of Huckleberry's resignation last year. I do not want Jan Leshner appointed Administrator, only Acting Administrator and the board set up a citizens committee to help with hiring a search firm to find an appropriate County Administrator. It is well documented over many years that Huckelberry is highly overpaid and acts illegally at times with or without the knowledge of the Board. I would like you to contact the appropriate authorities including the County Attorney and State Attorney General to examine these the illegalities that Huckelberry has tried to perpetrate on the citizens of Pima county as well as what happened between Bronson and Huckelberry and have her removed as chair. Thank you. Jo-Ann Marks, [REDACTED] PS. as a Head hunter myself, I would like to sit on any committee involved with hiring a search firm and with the hiring process .
