***Title:**

Regular Session Addendum Agenda Item Re: Budgetary Concerns from Pima County Attorney's Office

***Introduction/Background:**

The Pima County Attorney's Office (PCAO) has significant concerns related to the management of its budgetary authority from entities outside of its control. PCAO greatly respects and recognizes the importance of prudent fiscal management of the entire county's budget to ensure the county's continued growth and its ability to support its population's needs. However, PCAO has been deprived of necessary funding (approx. \$2.4M) to ensure public safety and responsiveness to the community's needs.

PCAO requests that the funding removed from its budget is returned for this fiscal year, as well as the upcoming fiscal year, either in full or in part.
