***Title:**

Arizona Revised Statutes §16-248 requires the Board of Supervisors, in advance of Election Day, to designate polling places for a Presidential Preference Election.

Vote Center locations will be included in the sample ballots mailed to voter households in advance of Election Day.

***Conclusion:**

The list of Vote Centers for the Board's consideration will be used for the 2024 Presidential Preference Election.

***Recommendation:**

Recommend the designation of Vote Centers for the March 19, 2024 Presidential Preference Election as proposed.

***Fiscal Impact:**

Location fees totaling \$37,251.30 will be paid using the Elections Department annual budget.

RE: Presidential Preference Election (PPE) Vote Center Recommendation

Ms. Leshner,

A.R.S. § 16-248 (C) directs the Board of Supervisors to determine the number of polling places for the presidential preference election by using no more than one-half of the number of precincts as of January 1. Pima County currently has 265 precincts as of January 1, 2024.

I do not recommend reducing the number of polling places since we now use vote centers on election day. The Board approved 129 vote centers during the implementation in 2022. The department recommended, and the Board approved, two additional locations in 2023. There have also been location changes since the 2022 election cycle for various reasons, some of which prevented us from securing vote centers for the PPE.

I am recommending the approval of 122 vote centers for the PPE. The recommendation meets all the statutory requirements.

The table below gives more information about which locations have changed and their availability in the PPE and future elections. The vote centers highlighted in peach do not currently have a replacement location.

I am available to answer any questions or respond to any concerns about the recommendation.

Constance L. Hargrove, Director
