Re: Copper World

We appreciate that you are considering supporting a NO on the sale of land to Copper World.
We know you know all the reasons why it is important to save the Santa Ritas so we won't outline them for you.

Please do oppose the sale of State land or for that matter any land to Copper World. They are the camel's nose under the tent flap that if allowed to continue will destroy an important natural resource for 1000s of years.

Beryl Baker,
lifetime citizen of Tucson AZ
