I am Sharon Fickes, legal resident of Pima County [Redacted]  
Following are my comments for the 6-20-23 Board of Supervisor Meeting

**Agenda Item #11 Library District Budgetg Fiscal Year 2023/2024  
Resolution 2023-L1**

DO NOT approve the Library District budget and do not approve the secondary property tax supporting this resolution. Those responsible for approving and purchasing books, periodicals and any written information for public access do not understand how to delineate pornography scum from appropriate library material, especially for those under-age children. This applies to all under-age material in the Pima County Library system. Until those responsible for the public funds for library material, the budget should be put on hold and not approved. Pornography should not be promoted at the public library. If you disagree then I invite you to attend a public meeting and I will provide you with some of the library books currently available. You can then stand up in public, read aloud, show the illustrations & defend your choices.  
**VOTE AGAINST THE RESOLUTION**

God Bless America
