Hello Pima Board of Supervisors,
Here are some comments about agenda item #1 for your February 18th 2025 meeting.
Thanks,
Don & Pat Hayles
District 5 Tucson

Addendum Item #1: Fire District Funding Needs.

We support this initiative.

Comments about recent Los Angeles fires

In Los Angeles, one common factor in recent fires was the fact that all of the locations affected had been slated for redevelopment into Smart cities and transit corridors. This should give pause to anyone living in an urban center which has been similarly scheduled for transition to a Smart city or a 15-minute city.

Recommended action: Any and all kinds of pre-emptive fire mitigation are welcome. We oppose tax increases (as they are regularly abused), The County be held strictly accountable for the allocation of all tax revenue to fire prevention in this case.
