## Fiscal Year 2018/19 Final Budget Adoption

### Background

I submitted the [Fiscal Year \(FY\) 2018/19 Recommended Budget](#) to the Board of Supervisors on April 27, 2018. The Board tentatively adopted the \$1,353,627,134 combined overall budget on May 22, 2018 as originally recommended, along with the adjustments included in my [May 22, 2018 – Tentative Budget Adoption: Fiscal Year 2018/19](#) Board of Supervisors Memorandum.

The remainder of this memorandum discusses various issues regarding the FY 2018/19 Proposed Final Adopted Budget and proposes recommended changes to the Tentative Adopted Budget.

### I. Temporary 10-Year General Excise (Sales) Tax For Pavement Preservation and Road Repair

On June 19, 2018, the Board of Supervisors will consider the adoption of a resolution authorizing the levying of a general excise (sales) tax dedicated exclusively to pavement preservation and road repair. This action is scheduled to take place prior to the Board considering the final adoption of the FY 2018/19 budget. This resolution can only be approved by a unanimous vote of the Board as detailed under A.R.S. 42-6103.

As I indicated in my earlier memorandums, if the Board approves this resolution, businesses will begin collections on January 1, 2019. The County will start to receive these funds in March 2019. Based on the timing of the receipt of these initial tax revenues no road repair related expenses using these funds will occur until the start of the following fiscal year on July 1, 2019. All revenue collected in FY 2018/19 will be deposited into the County's Transportation Road Fund until used for its intended pavement preservation and road repair purposes.

The tentative budget adopted by the Board on May 22, 2018 includes partial-year sales tax revenue of \$30,339,071 in anticipation of the possible levying of this tax by the Board. If the Board does not unanimously adopt the resolution levying this sales tax on June 19, 2018, the County will not collect these revenues and the forecasts and the road repair program will be adjusted accordingly.

The Honorable Chair and Members, Pima County Board of Supervisors

Please refer to my June 19, 2018 Board of Supervisors memorandum entitled [Resolution Levying a Temporary 10-Year General Excise Tax for Road Repair](#).

**II. Continuation of the Transportation Road Primary Property Tax to Fund Local Pavement Preservations and Road Repair**

The FY 2018/19 tentative adopted budget appropriates funding for the second year of the \$0.2500 per \$100 taxable net assessed value Transportation Road primary Property Tax. If the Board of Supervisors continues this property tax into FY 2018/19, total anticipated property tax collections of \$20,636,092 will be deposited into the Transportation Road Fund for its intended purposes of local road pavement preservation and repair.

Once again, I continue to propose that the Board vote separately on the Transportation Road primary property tax and require a unanimous vote to include it in the final adopted budget.

I also continue to recommend that the Transportation Road primary property tax be levied in FY 2018/19 regardless of the action taken by the Board related to the adoption of the resolution levying the temporary general excise tax for pavement preservation and road repair. This action would allow the second year of the current local pavement preservation and road repair program to continue as originally proposed.

My proposed tentative adopted memorandum included a list of possible actions by the Board regarding the Transportation Road primary property tax in conjunction with its consideration of levying the temporary general excise (sales) tax for road. I am repeating these proposed actions here:

- If the Board unanimously votes to levy a general excise (sales) tax, it can also decide to levy the Transportation Road primary property concurrently for FY 2018/19 only. This would allow the second year of the current local road repair program to continue as originally proposed by the Transportation Advisory Committee while allowing partial year sales tax revenue to be accumulated for the start of the new road repair program in FY 2019/20. At the end of FY 2018/19, the Transportation Road primary property tax would be discontinued resulting in a twenty-five cent decrease in the County's combined primary property tax rate starting on July 1, 2019.
- If the Board unanimously votes to levy a sales tax, it can also decide to end the Transportation Road primary property tax effective July 1, 2018. This would result in an additional twenty-five cent reduction in the combined primary property tax rate in FY 2018/19 from \$4.3196 to \$4.0696. Discontinuing the collection of the Transportation Road primary property tax in FY 2018/19 would result in the second year of the Transportation Advisory Committee's project recommendations under this program being cancelled.

- If the Board does not levy a sales tax, the Board can vote to continue the Transportation Road primary property tax as originally adopted in FY 2017/18. This would result in no further changes in the FY 2018/19 combined primary property tax rate of \$4.3196.
- If the Board decides not to levy a sales tax, it can also opt not to continue the Transportation Road primary property tax. This would result in an additional twenty-five cent reduction in the combined primary property tax rate, from \$4.3196 to \$4.0696. Not levying either tax would also result in the end of the Transportation Advisory Committee's local pavement preservation and road repair program.

### **III. Employee Compensation**

The following is a summary of the proposed employee compensation package adjustments recommended for FY 2018/19:

#### All Eligible County Employees (except Sheriff Deputies and Corrections Officers):

- 2.5% general salary adjustment for employees effective July 8, 2018.
- 1.0% general salary adjustment for employees earning \$50,000 or less per year effective January 6, 2019.

#### Eligible Sheriff Deputies and Corrections Officers only:

- Establishment of Sheriff Deputy and Corrections Officer Trainee Programs - employees earn an initial trainee hourly rate and move to the designation's new minimum hourly rate at the end of initial probationary period.
- 2.5% general salary adjustment for employees not in Trainee Programs or on initial probation effective July 8, 2018.
- Employees below the new minimum hourly rate for the classification after the 2.5 percent adjustment is applied and not on initial probation will be moved to the new minimum hourly rate effective July 8, 2018. Employees currently on initial probation will be moved to the new minimum hourly rate upon successful completion of the probation period.
- 5.0% retention incentive salary adjustment for eligible employees whose current base salary is: Sheriff Deputy \$22.98 to \$27.93 per hour and Corrections Officer \$18.92 to \$24.10 per hour. Effective date of retention incentive salary adjustment is January 6, 2019

A memorandum providing eligibility requirements and further details of these proposed salary adjustments will be provided after final approval of the proposed final adopted budget by the Board of Supervisors.

#### **IV. PROPOSED CHANGES TO THE TENTATIVE ADOPTED BUDGET**

##### **General Fund**

##### **Increase in Pima County's Contribution to the Elected Officials Retirement Plan**

The Arizona Legislature enacted and the Governor signed legislation significantly increasing the employer's contribution rate to the Elected Official Retirement Plan (EORP). Prior to this legislation, employers were required by statute to pay a fixed rate that did not change from year to year. The new legislation now calculates employer retirement contributions based on actuarial calculations.

EORP is significantly underfunded based on previous reform litigation and not having the ability to adjust employer contribution rates based on the actual requirements of the fund. The statutory rate of 23.5 percent of employee compensations was not sustainable. Based on the new legislation, the FY 2018/19 employer contribution rate is 61.5 percent and is likely to increase significantly in future fiscal years.

The legislation has an additional negative impact of \$2,782,687 on the County's FY 2018/19 General Fund. This increased cost has been allocated to the impacted departments in the proposed final adopted budget. These additional costs are offset by a corresponding decrease in the General Fund Budget Reserve.

##### **Reductions in State Cost Shifts to Pima County**

While the State of Arizona continues to shift significant costs to Pima County, the recently approved State budget begins the process of providing some relief of these costs. The State budget reverses the following cost shifts to Pima County in FY 2018/19:

1. Arizona Department of Juvenile Corrections (ADJC) Cost Shift – The director of the ADJC is required to assess a "committed youth confinement cost sharing fee" to each county based on their share of total county population. Pima County's FY 2018/19 share of this fee is \$1,726,804. The State budget provides one-time relief of this cost making the County's net cost zero.
2. Disproportionate Uncompensated Care (DUC) Pool Payments – The State budget eliminates the requirement for counties to pay into the AHCCCS DUC pool. Pima County will no longer be required to pay its \$1,115,900 share to this program.

3. Sexually Violent Persons (SVP) – Counties are no longer required to pay a share of the costs associated with the commitment of sexually violent persons. This results in \$499,275 of savings to Pima County in FY 2018/19. These savings will carry forward into future fiscal years.

The County's FY 2018/19 budget savings associated with these three programs totals \$3,341,979. These changes reduce overall State Budget cost Shifts to Pima County in FY 2018/19 to \$85.3 million.

#### Other Adjustments

1. \$953,244 reduction in adult and juvenile correctional healthcare costs in the Office of Behavioral Health. The increased cost of the final contract approved by the Board of Supervisors with the vendor in May was less than originally anticipated.
2. \$178,346 increase in the Criminal Justice Reform Unit to fund final staffing updates related to the program.
3. \$39,000 added to the Budget Stabilization Fund to provide funding to the Higher Ground Outside Agency.
4. \$37,000 added to the Budget Stabilization Fund to provide funding to the PPEP Amado Opioid Program.
5. \$20,000 added to the Budget Stabilization Fund to provide funding to the Southern Arizona Adaptive Sports Outside Agency.
6. Offsetting adjustments to the General Fund Budget Reserve to increase the reserve from \$39,106,547 to \$40,411,275.

After making the adjustments above, the General Fund's bottom-line proposed final adopted expenditures total \$585,335,097 and is unchanged from the Tentative Adopted Budgeted General Fund expenditures.

#### RECOMMENDATIONS

A. I recommend the following actions by the Board of Supervisors:

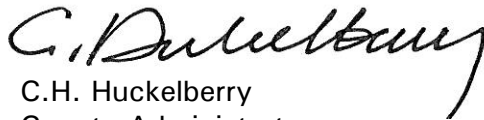

1. The Board adopt the [Resolution Levying a Temporary 10-Year General Excise Tax for Road Repair](#) .

The Honorable Chair and Members, Pima County Board of Supervisors  
 Re: **Fiscal Year 2018/19 Final Budget Adoption**  
 June 19, 2018
