

PAM NEERI

my name is Pam Neeri in District 1 Sunrise Fairfield in Territory
I am the ~~District 1~~ County Liaison for the Sunrise Association Council which represents 1,812 homes in 12 Sunrise HOAs. On behalf of our homeowners, I am urging the Supervisors to approve the bond amendment in agenda item 13 B to repurpose \$16 million from the 1997 HURF bonds to repair failed collector & arterial roads. Territory Drive, which is in terrible condition and rated as failed, is a collector road for our HOAs and provides the only access to hundreds of our homes .

I am also asking that the Supervisors approve the funding allocations for each District and the list of roads to be repaired as prioritized by Deputy Administrator Carmine DeBonis, as it includes repair of the worst section of Territory Drive from Grey Mountain Trail to Craycroft during the first year of this project beginning Fiscal Year 2019.

Thank you for the opportunity to speak.
