RE: Incorporate Vail Arizona – Opposition and Opt-out request

To Whom it May Concern,

I am writing to express my opposition to the proposed municipal incorporation of Vail, Arizona, an unincorporated area in Pima County Arizona. This proposed incorporation would impose additional financial burdens on our residents and businesses and is not currently feasible. This proposed incorporation is simply unnecessary, and unwanted!

Those of us potentially affected urge you to oppose the proposed incorporation of Vail and the efforts of the Non-Profit Corporation known as "Incorporate Vail Arizona." I have provided my contact information for verification and authentication purposes, and for the use of you or your office in communications with me.

☒ I own my property, commonly known as the address listed below, and this is my formal request that it be excluded from any proposed incorporation efforts.

☐ I understand that this document may become part of the public record. Should that be the case, please redact my personal contact information.

RE: Incorporate Vail Arizona – Opposition and Opt-out Request

To Whom It May Concern,

We are writing to express our opposition to the Vail, Arizona Incorporation effort and specifically, inclusion of our two Rural Homestead (RH) Zoned properties in the proposed boundaries.

- Parcel 205-64-6090, Street address: 7620 S Camino Miró, Tucson, AZ 85747 (3.03 acres)
- Parcel 205-64-030A (Vacant Land, 5.14 acres)

Both parcels are within Ser: 20-15-16 G&SH&M, Pima County. Neither parcel is part of the nearby Rocking K Ranch Estates Development to the east of our contiguous properties.

Vail Incorporation is not necessary and provides no value added. Instead, it will increase resident costs while providing no improved services from those currently provided through Pima County.

To the best of our knowledge, the Rural Homestead properties in Section 17 and 20 have not been specifically asked whether we wanted to be included in the incorporation effort. Previously, it was our understanding that our area was, because of its nature, not included in the incorporation area. We have become aware of a recently published map now including our area. As part of the potentially affected property owners, we strongly urge you to oppose incorporation of Vail and the efforts of the Non-Profit Corporation known as "Incorporate Vail Arizona".

We have provided our contact information for verification and authentication purposes, and for use of you or your office in communication with us.

This is our formal request that our properties be excluded from any proposed incorporation efforts.

Please redact our personal contact information if this document becomes public record.

RE: Incorporation of Vail, Arizona - Opposition and OPT OUT REQUEST

To Whom It May Concern,

I am writing to express my opposition to the inclusion of my community of interest which is now included in the proposed incorporation of Vail, Arizona.

My address is 2841 E Darlene Dr., Vail, AZ 85641; 17-16-04 New Tucson Unit 24;

This community is located South of Interstate 10 and includes Township 17 South Sections: 03, 04, 09, 10, 27, 34, and 35.

The community is majority CR-1 or GR-1 Zoning - This community is overwhelmingly located on dirt/gravel roads that are in poor condition and many are not maintained by the county. Deed Restrictions allow for livestock, and many are small horse properties. The community is serviced by Vail Water (not Tucson) and Triun Electric Cooperative (Not Tucson Electric Power), most of the area is not

wired for cable service and utilizes satellite. The incorporation plan also leaves out a portion of Wentworth Rd due to "Public Lands" which is the heaviest traffic throughfare serving this community that already suffers from a lack of county road maintenance. Why on earth would you leave this community vulnerable as an island with a public trust "land bridge" with the yearly wash-out of that section of road every monsoon? For decades we have fought incorporation efforts as they have not properly addressed the lack of services, infrastructure and development in the New Tucson community.

We are not a property tax cash cow for the non-profit organizations efforts to incorporate Vail and include this area. My neighbors and my family moved here to be away from the City of Tucson, to raise livestock and determine our own destiny in the unincorporated area of Pima County.

Urge you to OPPOSE and vote NO to the proposed incorporation for the New Tucson community South of Interstate 10 located in 17-16-03, 04, 09, 10, 27, 34, and 35. The majority of the community voters oppose the proposed incorporation efforts of the non-profit Incorporate Vail Arizona! This effort was ill-conceived and not properly developed to benefit the New Tucson community's interest, it fails to deliver the necessary services and infrastructure, and it will further burden the taxpayers. VOTE NO!

RE: Incorporation of Vail, Arizona - Opposition and OPT OUT REQUEST

To Whom It May Concern,

My name is Kevin Caswell. I am writing to express my opposition to the inclusion of my community of interest which is now included in the proposed incorporation of Vail, Arizona. My address is 2841 E Darlene Dr., Vail, AZ 85641; 17-16-04 New Tucson Unit 24, which I and my Family have resided in for 25 Years.

This community is located South of Interstate 10 and includes Township 17 South Sections: 03, 04, 09, 10, 27, 34, and 35.

The community is primarily CR-1 or GR-1 Zoning. This Community is overwhelmingly located on Pima County Roads, with some areas not maintained by the County. Residences range in Quality and are generally located on 1 Acre +/- Lots. Many allow for livestock, including Equestrian and Poultry uses. The Community is serviced by Vail Water, Private Well, or Hauled/ Stored Water (Not Tucson Water Co) and Trico Electric Cooperative (Not Tucson Electric Power). Majority of the Area is not wired for Cable Services, has Poor Internet Services, and/or utilizes Satellite Systems.

The Incorporation Plan also leaves out a portion of Wentworth Road, due to a "Public Land" presence. This is the heaviest traffic Roadway serving this Community and Yearly "Wash-outs/ Closings" occur on this Road every Monsoon. Exclusion of this Area would allow for Public Trust "Land Bridge". For decades we have fought Incorporation efforts, as they have not properly addressed Services (or lack thereof), Diminishing Infrastructure, or proper Development in the New Tucson Community.

My Family, Friends, and majority of my Neighbors moved here to be away from the City of Tucson, it's Failing School System, it's Non Conservative Mindset, and to determine Our own Destiny in this Unincorporated area of Pima County.

Urge you to OPPOSE and vote NO to the proposed incorporation for the New Tucson community South of Interstate 10 located in 17-16-03, 04, 09, 10, 27, 34, and 35. The MAJORITY of the Community Voters oppose the proposed Incorporation efforts of the non-profit Incorporate Vail Arizona! This effort was ill conceived and not properly developed to benefit the New Tucson community's interest. It will further burden the taxpayers. VOTE NO!
