Regarding: Plat Note Waiver Co12-71-60A Oshrin Park Subdivision (Lot 71)
Request of Coty Curry

To whom it may concern,

I would like to protest this waiver for the following reasons:

This owner, or his father, have had a history of violating county codes. Even if inspectors come, they disregard the codes and return to their own ways after they leave.

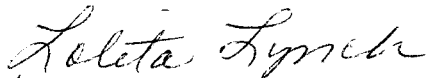

In the past they have rented to felons that have endangered the neighborhood.

They continually bring in unsightly materials that "junk up" the neighborhood.

Of concern is the disposal of sewer waste. A 55gallon drum in the ground is not according to code.

Traffic in this residential neighborhood is also a concern.

Sincerely,
Lolita Lynch
