\*Title:

Regular Session, Regional Wastewater Reclamation Department

\*Introduction/Background:

A.R.S. § 49-391(C) provides that a public comment period of 30 days must be provided before any pretreatment Consent Decree or Negotiated Settlement Agreement (NSA) is made final. The proposed NSA with Kingwood Collision Inc. dba Gerber Collision & Glass is a result of enforcement action by the Industrial Wastewater Control section of the Pima County Regional Wastewater Reclamation Department. Publication of the announcement on the April 18, 2023, agenda will meet the requirement for the action listed below.

\*Discussion:

The Department and Kingwood Collision propose an NSA to settle violations of the County's wastewater discharge limitations at Kingwood Collision's facility located at 6108 North Travel Center Drive. As part of the agreement, Kingwood Collision will pay a total of \$500.00 and submit to Pollution Prevention School.

\*Conclusion:

The Department complies with A.R.S. § 49-391(C) and its industrial wastewater pretreatment enforcement program requiring a public comment period of 30 days before any pretreatment Consent Decree or Negotiated Settlement Agreement is made final.
