My wife Betty and I live at 3584 W Granite Vista Drive, within 300' of the Apt Complex. As you may already know, we were told that if we got 20% of the homeowners within 300' to protest via petitions or emails, that it would trigger the super majority at the meeting tomorrow Tuesday 10/17. And now today, at the very last minute, in a total reversal, we are being told that we need 20% of the homeowners withing 1000' of the complex.

If this holds up, and we aren't allowed any more time, we will lose our protest. We really don't need that many more signatures to reach the new plateau because we know most everyone in North Ranch and in Mountain Vista Ridge is against this project, but we need more time. Is there ANY way we could get another month to obtain the necessary signatures? Your consideration of our request would be greatly appreciated. Thanks! -- Mike Kroichick 3584 W Granite Vista Drive [REDACTED]
