Supervisor Bronson:

This request is being sent to you as Chairperson for the Board of Supervisors. Will agenda item #10 (see below) be revised prior to the 8/16/21 BOS meeting to include **full details** of what "COVID-19 items and/or COVID-19 emergency items will be discussed under this agenda item" at Monday's BOS meeting? The delineation of "items" vs. catch-all phrasing such as "updates and action" is critical for Pima County residents to fully understand what items will be discussed and possible action taken.

For example, will the discussion and action be brought up again regarding:

- mask mandates
- Pima County employee vaccination mandates
- additional testing requirements for unvaccinated employees, and/or
- financial disincentives for employees who oppose vaccination mandates (as noticed by the County Administrator)

COUNTY ADMINISTRATOR

- 10.** **(Clerk's Note: All COVID-19 items and/or COVID-19 emergency items will be discussed under this agenda item.)**
Updates and Action on COVID-19

Please include this email as a comment letter to Agenda item #10. Thanking you in advance.
