Re: **November 8, 2022 General Election After-Action Report Queries and Requests**

Please include in the After-Action Report responses to the following queries and requests:

EARLY VOTING CENTERS:

1. Provide by date, how many voters voted at each early voting site including emergency voting.
2. Provide by date, how many, vote-by-mail ballots, were dropped off at each early voting site including emergency voting.
3. Provide how many early ballots, were dropped off at any of the Recorder's Offices on Election Day.

PROVISIONAL BALLOTS AND CONDITIONAL BALLOTS:

1. How many conditional and provisional ballots did the Recorder's Office process?
2. How many of those ballots, were accepted for tabulation? How many, were rejected and the reasons for rejection?

BALLOTS WAITING TO BE CURED:

1. How many voters failed to respond to your office regarding their signature needing to be cured that could not be forwarded for tabulation?
2. Provide how the vote-by-mail ballots that the Election Department sent to you for signature verification, were dropped off at vote centers on Election Day.

CAPTURE DATA REQUESTED BY POLITICAL AFFILIATION:

Explain the process for returning ballot boxes to the voting centers for whatever reason prior to the ballot box being inspected at the Elections Department office.
