CAUTION: This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

Addendum Item #1: Pursuant to A.R.S. §38-431.03 (A)(3) and (4), for legal advice and direction regarding an update on Arizona Citizens Defense League, Inc., et al. v. Pima County, et al.

Arizona law broadly prohibits political subdivisions from enacting almost any kind of firearm related ordinance. Rex Scott led the 4-1 (Steve Christy dissenting) BoS vote on March 5, 2024 to violate our rights by unlawfully enacting an ordinance that subjects firearm owners to fines of up to \$1,000 for failing to report the loss or theft of a firearm to the government within 48 hours. Members of the Board say that the restriction is necessary to combat the alleged problem of prohibited possessors acquiring firearms from so-called straw purchasers (people who buy firearms legally, then turn around and sell them illegally).

The Goldwater Institute, through its Scharf-Norton Center for Constitutional Litigation, filed a Complaint against Pima County in state court on behalf of the Arizona Citizens Defense League (a firearms advocacy group based in Pima County) with Chris King (a U.S. Air Force veteran and NRA-certified firearms instructor who lives in Pima County) challenging the unlawful ordinance.

You are in violation of state law and we the taxpayers are going to have to pay for it again. Stop passing ordinances to look good. We are sick of the wasted funds.
