### **RE: P17TA00003 - PRELIMINARY INTEGRATED WATER MANAGEMENT PLAN SITE ANALYSIS REQUIREMENTS**

Dear Chair Bronson and Supervisors,

Thank you for the opportunity to comment on the Site Analysis Policy Amendment – Preliminary Integrated Water Management Plan Site Analysis Requirements on your October 17, 2017 agenda. We spoke at the public hearing for this amendment at the August 30, 2017 Planning & Zoning Commission meeting and expressed our support for the amendment at that time.

We remain in support of the amendment and appreciate our ongoing inclusion in discussions between community stakeholders and Pima County staff.

**The one addition we request is that a progress report and update on implementation should be completed two years from the date of adoption to evaluate the efficacy of the amendment and suggest modifications, if warranted.**

Thank you for considering our comments on this Site Analysis Policy Amendment and for including us in the stakeholder process while it was under development.

Sincerely,

A handwritten signature in black ink that reads "Carolyn Campbell".
