

BOARD OF SUPERVISORS AGENDA ITEM SUMMARY

Requested Board Meeting Date: May 21, 2013

ITEM SUMMARY, JUSTIFICATION and/or SPECIAL CONSIDERATIONS:

ORDINANCE NO. 2013 - ____, An ordinance of the Pima County Board of Supervisors, regulating traffic at the intersection of Willemite Drive and Magnetite Lane in Pima County, Arizona. Staff recommends **APPROVAL**. (District 3)

The Pima County Department of Transportation (PCDOT), Traffic Engineering Division (TED), recommends that the intersection of Willemite Drive and Magnetite Lane be designated as a Stop intersection, with traffic on Magnetite lane stopping for Willemite Drive.

This intersection is immediately adjacent to Tucson Unified School District (TUSD) Robins Elementary School, with the school driveways being located within the intersection footprint. During field review, it was found that TUSD officials had placed stop controls for Magnetite Lane, as well as the school driveways. TED staff have determined that it is beneficial to the intersection operation to have stop control installed on Magnetite Lane, as it provides consistency of operation at the intersection. Discussion with school officials have determined that they also request the existing control remain in place. This ordinance will legally authorize the placement and enforcement of the stop control on Magnetite Lane.

CONTRACT NUMBER (If applicable):

STAFF RECOMMENDATION(S): The Transportation Department recommends that the Board of Supervisors adopt this ordinance.
