Greetings,

Regarding Agenda Item #17 Intergovernmental agreement between the Tohono O'odham Nation and Agenda Item #33 Pima County for COVID-19 Health Disparities grant funds – 2-year contract expiring 5/31/2024.

Arizona Department of Health Systems (ADHS) granted Pima County \$199,998.00 in federal funds (my taxes) for an Intergovernmental Agreement (IGA) to target and bully ethnic minorities in rural populations. This is being accomplished through testing, vaccination, education/outreach, and collaboration since October 2021.

I say, terminate this contract now and give back any monies!

After nearly three years of these so-called "vaccines" there are numerous reports that they cause harm, even death!

Pima County is trying to force these unsafe "vaccines" on minorities for another year! Shame on you! According to Section 4.2 Termination for Convenience of the IGA, the Board can terminate the contract. Do so! VOTE NO to the IGA contract continuation because COVID-19 is over!

Continuing to push unsafe, even dangerous COVID-19 "vaccines" only to propagandize COVID-19 is despicable. It is especially egregious doing this to a minority in Pima County. Shame on you! It is also a severe mismanagement and abuse of taxpayer's monies.

I do NOT CONSENT! VOTE NO to the IGA contract continuation because COVID-19 is over!

Agenda Item #32. FEMA EFSP, National Board \$6,790,032.00 Humanitarian Relief Grant for "Asylum Seekers" to cover costs of the Southern Border Operations Partnership. This Partnership includes Pima County, City of Tucson, Catholic Community Services, and The Inn of Southern Arizona. The grant award term 3/1/2012 is to end 4/30/2023.

You are all implicit in the INVASION OF AMERICA with little regard to our safety and the needs of the citizens here in Pima County.

I DO NOT CONSENT! VOTE NO to the IGA contract continuation because COVID-19 is over!
