Grants Management and Innovation

23. The Inn of Southern Arizona, extend contract term to 3/31/23 and amend contractual language,

24. City of Tucson, Amendment No. 4, extend contract term to 3/31/23 and amend contractual language

By these requests it appears that the County - which has had over a year - has not succeeded in working to "Safeguard the health and safety of Pima County by humanely and expeditiously facilitating the movement of asylum seekers". The purpose was not to provide comfortable housing with no responsibility required by the recipient. There is no research that indicates additional funding will result in the stated goal. This request appears to be a grab to waste more taxpayer dollars on bureaucratic bumbling. Vote NO.
