***Project Title/Description:**

Victims of Crime Act (VOCA) Victims Assistance Grant Program / Strategically Enhancing Victim Services in the Age of APRAIS RENEWAL

***Purpose:**

This VOCA Grant will primarily be used to expand services into a new geographic area, offer new types of services, serve additional victim populations, continue existing services to crime victims and increase service capacity. The purpose of the VOCA Grant is to continue a VOCA-funded victim project funded in a previous year. It provides enhanced direct services to victims of crime as soon as possible after victimization, and jointly supports expanded Victim Services with satellite offices in Green Valley, Sahuarita, Oro Valley, and Marana area. Additionally, it will allow to start up a new victim services project, start up a new Native American victim services project and expand or enhance an existing Native American project.

***Procurement Method:**

The grant award was reviewed and signed by PCAO.

***Program Goals/Predicted Outcomes:**

Improve consistency and quality of direct services provided to crime victims, 24/7/365.

***Public Benefit:**

Grant funding supports Victim Services objectives by increasing capacity to provide both victim crisis intervention and victim support through the criminal justice system. Funding supports these objectives while reducing costs for the program to the Pima County taxpayers.

***Metrics Available to Measure Performance:**

Quarterly Activity and Financial Reports.

***Retroactive:**

Yes. PCAO received notification of award on 09/19/24 and the Award Agreement on 09/19/24. Needed to route for review and signatures. Due to this delay, PCAO was not able to submit to the Board of Supervisors before the commencement date of 10/01/2024. If award is not approved, it likely would result in loss of funding of 13 grant funded positions, placing additional strain on the general fund.
