Your Message

Dear Supervisor Allen and Members of the Board:
Thank you for celebrating and honoring transgender individuals and their loved ones with this proclamation. At a time when basic human and civil rights are under attack, this statement is particularly important. We are grateful to see our elected officials recognize the contributions of this community and to use their voices in support of the most marginalized amongst us. We look forward to working with you to build a more diverse, inclusive, and more robust Pima County.

Sincerely,
Lynn Davis

Your Message

I write in gratitude and support for Supervisor Jen Allen's work to encourage and support our transgender community in Pima County. As a Lutheran pastor, I am deeply grieved by the way transgender people are being targeted and dehumanized across our country for those seeking political gain. As Christians, we celebrate the diversity of God's creation, the equity of God's justice and mercy, and the inclusive love found in Christ. Psalm 139 reminds us that all people are wonderfully made by our Creator. Christians are called to actions that build up community and reflect God's expansive love. Our congregation is enriched by transgender and nonbinary people and their families who love them. Pima County is stronger because of who our community is. Thank you, Sup. Allen for this important day of recognition. I regret that I am unable to join you tomorrow in person to show my support. Rev. Amalia Vagts
