I am Sharon Fickes, resident of Green Valley,, AZ Pima County
Following are my comments for Board of Supervisors Meeting 02-07-23

Agenda Item #35 Grant Acceptance/Health Department.

This is a no cost 2 year term (GTAW-23-88) proposed to continue thru 3-2023 the immunization of children and adults focusing on **COVID-19**. Make sure this Grant continuation fails. Time to change the Pima County playbook and recognize that past mis-information should be recognized and stopped. This is written as a no-cost extension. Yes there is a cost where the county will continue along the way spending funds and promoting vaccinations that are not proven to prevent, stop or help avoid various health issues. **VOTE NO**

God Bless America
