Please vote "NO" on this item. (#15 on the agenda)

As your constituents, we want all Pima County Supervisors, including my Superviso, to continue to have the right and ability to add matters of public interest and concern to the meeting agenda as he/she determines merits discussion and action. The existing policy has been in place for decades, through varied Board majorities, and it has served the public well. **There is no reason** to complicate this process by adding the proposed procedures.

Dear Supervisor,

Your constituents are speaking. The people of Pima County don't need outsiders to justify how they should stand on an issue like this. Trying to justify taking an action that clearly is a power play by one Supervisor to restrict free speech, getting a report of what others is doing is an insult to the Voters of Pima County. We are not lemmings. Please don't insult our intelligence by telling us what is best for us. This is not leadership, it is patronizing.
