or Procurement Director Award ☐

***Contractor/Vendor Name/Grantor (DBA):**

Network Services Company (Headquarters: Schaumburg, IL)

***Project Title/Description:**

Janitorial Supplies

***Purpose:**

Award: Master Agreement No. MA-PO-21-033. This Master Agreement is for a nine (9) month initial term in the annual award amount of \$3,000,000.00 (including sales tax) and includes four (4) one-year renewal options.

Administering Department: Sheriff's

***Procurement Method:**

Pursuant to Pima County Procurement Code 11.24.010, Cooperative procurement authorized, for Requisition No. 21-009, the Procurement Director approved the use of City of Tucson Contract No. 202329-01, which was awarded through competitive procedures reasonably similar to those set forth by Pima County Procurement Code.

County is intending to award two separate janitorial contracts, both with the same NTE amount as it cannot be predicted which contract will be the most beneficial to the County. It is not anticipated that the full annual award amount will be utilized within a one (1) year period. However, due to the unpredictable circumstances of the recent global pandemic and supply shortages, it is in the County's best interest to secure two separate contractors in sufficient award capacity to avoid the inability to meet the County's needs of janitorial supplies in the future.

PRCUID: 384301

Attachments: Master Agreement

***Program Goals/Predicted Outcomes:**

To purchase reliable and consistent janitorial supplies for County departments in the most efficient and cost effective way.

***Public Benefit:**

To maintain a safe and healthy environment for public visitors and County employees.

***Metrics Available to Measure Performance:**

Vendors will provide competitive pricing and on-time delivery of goods, measured by accurate billing and arrival of supplies.

***Retroactive:**

Pima County Procurement Sheriff's Department

Project: Janitorial Supplies

Contractor: Network Services Company

Amount: \$3,000,000.00

Contract No.: MA-PO-21-033

Funding: Various Funds

COOPERATIVE PROCUREMENT AGREEMENT

1. Parties, Background and Purpose.

- 1.1. Parties. This Contract is between Pima County, a political subdivision of the State of Arizona ("County"), and Network Services Company ("Contractor").
- 1.2. Authority. Pima County is authorized by Pima County Code § 11.24.010 and A.R.S. § 41-2632 to enter into cooperative purchasing arrangements. Pima County has entered into such an agreement with the City of Tucson and with OMNIA Partners.
- 1.3. Contract.
 - 1.3.1. The City of Tucson, the Lead OMNIA Partners entity, entered into a contract (Contract No. 202329-01) with Network Services Company ("Contractor") for janitorial supplies (the "OMNIA Partners Contract"). Contractor's distributor for Tucson is Waxie Sanitary Supply. The OMNIA Partners Contract is incorporated into this Contract by this reference.
 - 1.3.2. Special Terms and Conditions, Section 1 in the OMNIA Partners Contract states that public agencies that have entered into a Cooperative Purchasing Agreement with the City of Tucson are eligible to participate in the OMNIA Partners Contract.
- 1.4. Purpose. The County has identified the need for Janitorial Supplies.

2. Term.

- 2.1. Original Term. This Contract is effective for a nine (9) month initial term commencing on September 1, 2020 and terminating on May 31, 2021 (the "Initial Term"). "Term," when used in this Contract, means the Initial Term, plus any exercised Extension Options.
- 2.2. Extension Options. County may renew this Contract for up to four (4) additional periods of up to one (1) year each (each an "Extension Option").

3. **Scope of Services**. Contractor agrees to furnish Pima County the goods ("Goods") at the prices set forth on **Exhibit A – Waxie Pricing List** (10 pages), under the terms and conditions of the OMNIA Partners Contract. The terms and conditions set forth in this Contract control over any inconsistent provisions in the OMNIA Partners Contract.

4. **Compensation and Payment.** By mutual agreement of the parties, Network Services Company is designating Waxie Sanitary Supply to receive orders, process invoices, and collect payments directly from the County.
- 4.1. **Rates; Adjustment.** County will pay Waxie at the rates set forth in **Exhibit A**. Those rates will remain in effect during an Extension Option period unless Contractor, at least 90 days before the end of the then-existing Term, or at the time the County informs Contractor that the County intends to extend the Term, if that is earlier, notifies County in writing of any adjustments to those rates, and the reasons for the adjustments.
- 4.2. **Not-To-Exceed (NTE) Amount.** County's total payments to Waxie under this Contract, including any sales taxes, may not exceed \$3,000,000.00 (the "NTE Amount"). The NTE Amount can only be changed by a formal written amendment executed by the Parties. Contractor is not required to provide any services, payment for which will cause the County's total payments under this Contract to exceed the NTE Amount; if Contractor does so, it is at the Contractor's own risk.
- 4.3. **Sales Taxes.** The payment amounts or rates in **Exhibit A** do not include sales taxes. Waxie may invoice County for sales taxes that Waxie is required to pay under this Contract. Waxie will show sales taxes as a separate line item on invoices.
- 4.4. **Timing of Invoices.** Waxie will invoice County no more than 30 days after the end of the billing period in which Waxie delivered the invoiced products or services to County. County may refuse to pay for any product or service for which Waxie does not timely invoice the County and, pursuant to A.R.S. § 11-622(C), will not pay for any product or service invoiced more than 6-months late.
- 4.5. **Content of Invoices.** Waxie will include detailed documentation in support of its invoices and assign each amount billed to an appropriate line item.
- 4.6. **Invoice Submittal.** Invoices are to be sent to:
- Pima County Finance & Risk Management – Accounts Payable
P.O. Box 791
Tucson, AZ 85701
- 4.7. **Invoice Adjustments.** County may, at any time during the Term and during the retention period set forth in Section 11 below, question any payment under this Contract. If County raises a question about the propriety of a past payment, Waxie will cooperate with County in reviewing the payment. County may set-off any overpayment against amounts due to Waxie under this or any other contract between County and Waxie. Waxie will promptly pay to County any overpayment that County cannot recover by set-off.
5. **Indemnification Clause.** To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless Pima County and any related taxing district, and the officials and employees of each of them (collectively, "Indemnitee") from and against any and all claims, actions, liabilities, losses, and expenses (including reasonable attorney fees) (collectively, "Claims") arising out of actual or alleged injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by any act or omission of Contractor or any of Contractor's directors, officers, agents, employees, volunteers, or subcontractors. This

indemnity includes any claim or amount arising or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. The Indemnatee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnatee, be indemnified by Contractor from and against any and all Claims. Contractor is responsible for primary loss investigation, defense, and judgment costs for any Claim to which this indemnity applies. This indemnity will survive the expiration or termination of this Contract.

6. **Insurance Requirements.** The Insurance herein are minimum requirements for this Contract and in no way limit, the indemnity covenants contained in this Contract. Contractor's insurance shall be placed with companies licensed in the State of Arizona and the insureds shall have an "A.M. Best" rating of not less than A- VII. Pima County in no way warrants that the minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

- 6.1. **Minimum Scope and Limits of Insurance:** Contractor shall procure and maintain, until all contractual obligations have been discharged, the insurance coverage with limits of liability not less than stated below. Pima County in no way warrants that the minimum insurance limits contained herein are sufficient to protect the Contractor from liabilities that arise out of the performance of the work under this Contract. The Contractor is free to purchase additional insurance that required by the County. If necessary, Contractor may obtain commercial umbrella or excess insurance to satisfy the County's Insurance Requirements.

- 6.1.1. **Commercial General Liability (CGL)** – Occurrence Form with limits of \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy shall include bodily injury, property damage, personal/advertising injury, and products – completed operations.

- 6.1.2. **Business Automobile Liability** – Bodily Injury and Property Damage for any owned, hired, and/or non-owned automobiles used in the performance of this Contract with a Combined Single Limit (CSL) of \$1,000,000 each accident.

- 6.1.3. **Workers' Compensation (WC) and Employers' Liability** – Arizona Statutory requirements and Employers Liability coverage with policy limits of \$1,000,000 and each accident and each person – disease.

- 6.1.4. **Claims-Made Insurance Coverage** – If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this Contract, and Contractor must maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

- 6.2. **Additional Insurance Requirements:** The policies shall include, or be endorsed to include, as required by this written agreement, the following provisions:

- 6.2.1. **Additional Insured** – The General Liability and Business Automobile Liability Policies shall each be endorsed to include Pima County, its departments, districts, boards, commissions, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by or on behalf of the Contractor.

- 6.2.2. **Subrogation** – The General Liability, Business Automobile Liability and Workers' Compensation policies shall each contain a waiver of subrogation endorsement in favor of Pima County, and its departments, districts, boards, commissions, officers,

officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

- 6.2.3. **Primary Insurance** – The Contractor's policies shall stipulate that they are primary and that any insurance carried by Pima County, its agents, officials, employees or Pima County is excess and not contributory insurance. The Required Insurance policies may not obligate the County to pay any portion of a Contractor's deductible or Self Insurance Retention (SIR).

Insurance provided by the Contractor shall not limit the Contractor's liability assumed under the indemnification provisions of this Contract.

- 6.3. **Notice of Cancellation:** Each Required Insurance policy must provide, and certificates specify, that County will receive not less than thirty-(30) days advance written notice of any policy cancellation, except ten-(10) days prior notice is sufficient when the cancellation is for non-payment of a premium.

6.4. **Verification of Coverage:**

- 6.4.1 Contractor shall furnish Pima County with a certificate of insurance as required by this Contract. An authorized representative of the insurer shall sign the certificates.

- 6.4.2 All certificates and endorsements, as required by this written agreement, are to be received and approved by Pima County before work commences. Each insurance policy required by this Contract must be in effect at, or prior to, commencement of work under this Contract. Failure to maintain the insurance coverages or policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.

- 6.4.3 All certificates required by this Contract shall be sent directly to the appropriate County Department. The Certificate of Insurance shall include the Pima County project or contract number and project description on the certificate. Pima County reserves the right to require complete copies of all insurance policies required by this Contract at any time.

- 6.4.4 Neither the County's failure to obtain a required insurance certificate or endorsement, the County's failure to object to a non-complying insurance certificate or endorsement, or the County's receipt of any other information from the Contractor, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.

- 6.5. **Approval and Modifications:** The Pima County Risk Manager may approve a modification of the Insurance Requirements without the necessity of a formal amendment, but the approval must be in writing.

7. **Cancellation for Conflict of Interest.** This Contract is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated into this Contract by reference.

8. **Compliance with Laws.** Contractor will comply with all applicable federal, state, and local laws, rules, regulations, standards and Executive Orders. Contractor warrants that it is appropriately licensed to provide the services under this Contract and that any subcontractors will be appropriately licensed. The laws and regulations of the State of Arizona govern the rights and obligations of the parties under this Contract. Any action relating to this Contract must be filed and maintained in the appropriate court of the State of Arizona in Pima County.
9. **Non-Discrimination.** Contractor will comply with all provisions and requirements of Arizona Executive Order 2009-09, which is hereby incorporated into this Contract, including flow-down of all provisions and requirements to any subcontractors. During the performance of this Contract, Contractor will not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability, or national origin.
10. **Non-Appropriation of Funds.** Notwithstanding any other provision in this Contract, County may terminate this Contract if for any reason there are not sufficient appropriated and available monies for the purpose of maintaining County or other public entity obligations under this Contract. In the event of such termination, County will have no further obligation to Contractor, other than to pay for services rendered prior to termination.
11. **Books and Records.** Contractor will keep and maintain proper and complete books, records and accounts, which will be open at all reasonable times for inspection and audit by duly authorized representatives of County. In addition, Contractor will retain all records relating to this Contract for at least five (5) years after its expiration or termination or, if later, until any related pending proceeding or litigation has concluded.
12. **Public Information.** Pursuant to A.R.S. § 39-121 et seq. all documents submitted to County by Contractor, including but not limited to pricing schedules, product specifications, work plans, and any supporting documents, are public records. As such, those documents are subject to release and/or review by the general public upon request, including competitors. If Contractor reasonably believes that, some of those records contain proprietary, trade secret or otherwise-confidential information, Contractor must prominently mark those records "CONFIDENTIAL." In the event a public-records request is submitted to County for records marked CONFIDENTIAL, County will notify Contractor of the request as soon as reasonably possible. County will release the records 10 business days after the date of that notice, unless Contractor has, within that period, secured an appropriate order from a court of competent jurisdiction, enjoining the release of the records. County will not, under any circumstances, be responsible for securing such an order, nor will County be in any way financially responsible for any costs associated with securing such an order.
13. **Legal Arizona Workers Act Compliance.**
 - 13.1. **Compliance with Immigration Laws.** Contractor hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to its employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Contractor will further ensure that each subcontractor who performs any work for Contractor under this Contract likewise complies with the State and Federal Immigration Laws.

13.2. Books & Records. County has the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

13.3. Remedies for Breach of Warranty. Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, is a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor will be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion. Any additional costs attributable directly or indirectly to such remedial action are the responsibility of Contractor.

13.4. Subcontractors. Contractor will advise each subcontractor of County's rights, and the subcontractor's obligations, under this Section 24 by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor is a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract." CONTRACTOR hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to CONTRACTOR's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws") CONTRACTOR will further ensure that each subcontractor who performs any work for CONTRACTOR under this contract likewise complies with the State and Federal Immigration Laws.

14. Written Orders. County will order products or services under this Contract by issuing a Delivery Order (DO) document. Order documents will be furnished to Contractor via e-mail or telephone. If an order is given verbally, the County Department that issued the order will transmit a confirming order document to Contractor within five workdays of the date the verbal order is given.

Contractor must not supply materials or services pursuant to the contract that are not documented or authorized by a Delivery Order (DO) at the time of provision. County accepts no responsibility for control of or payment for materials or services not documented by a County Delivery Order (DO).

Contractor will establish, monitor, and manage an effective contract administration process that assures compliance with all requirements of this Contract. In particular, Contractor will not provide goods or services other than those described in this Contract, in excess of the NTE Amount, or after the Term of the Contract has ended, without a Contract amendment properly executed and issued by County, as provided below. Any items provided in excess of that stated in this Contract are at Contractor's own risk.

15. **Amendments.** The County may extend or revise this Contract by notifying Contractor in writing of the change, which notice will be in the form of a revised "Master Agreement." If Contractor does not object in writing to the proposed changes within ten (10) calendar days after receipt of the notice, Contractor will be deemed to have accepted the changes, and the revision will be binding on the parties, effective as of the date the notice was issued. If Contractor objects to one or more of the changes, then the proposed changes will be deemed ineffective.

16. **Israel Boycott Certification.** Pursuant to A.R.S. § 35-393.01, if Contractor engages in for-profit activity and has 10 or more employees, and if this Contract has a value of \$100,000.00 or more, Contractor certifies it is not currently engaged in, and agrees for the duration of this Contract to not engage in, a boycott of goods or services from Israel. This certification does not apply to a boycott prohibited by 50 U.S.C. § 4842 or a regulation issued pursuant to 50 U.S.C. § 4842.
