Please include the following comment on the addendum for the 11/2/21 Board of Supervisors Meeting. Thank you.

GRANTS MANAGEMENT AND INNOVATION/8. Extend contract term to 12/31/21 to provide for emergency food and shelter to families and individuals encountered by the Department of Homeland Security, Emergency Food and Shelter National Board Program Fund, contract amount \$1,315,405.00 (CT-GMI-21-484)

We are bound by an earlier contract but this contract should be amended for the cost to include all families and individuals receiving funds will also receive vaccinations. The Federal government has made this a requirement of all organizations/agencies that receive Federal dollars and Pima County should comply.

Following is my comment for the 11-02-21 Meeting

**Addendum Item #8 City of Tucson \$1,315,405.00 June 2021 12/31/2021**  
**Amended total for this effort is \$1,861,105.00**

Food, shelter and reimbursement by Sun Tran shuttle services to shelters and Tucson Int'l Airport.  
IF you were really interested in the safety of our Pima County community you would work to close our southern borders, provide support to our Border Patrol and police. Through those efforts we might have improved community safety and would not have to provide all these support services to illegal migrants in our community. VOTE NO

Vote NO... Instead the Board of Supervisors should work close our Southern Borders. We should not provide services to those who enter our country illegally. Instead help those citizens of Pima County by providing mental health services for the drug addicted and homeless. Provide support for our border patrol and police departments. And help our veterans and mentally ill. I cannot believe that the Board of Supervisors could demand that all county workers are vaccinate, and then turn around and let in illegals with all that goes along with them. **I'm particularly concerned with the drug and sex trafficking. NO \$\$ for illegal!!**
