Your Message I would like to express my support for the proclamation declaring March 31st as Transgender Day of Visibility in Pima County. In a country that is founded on personal freedom, I believe all citizens have the right to health and happiness. Supporting our most vulnerable community members is of the utmost importance as it is not only just but ethically sound. We have a duty to ensure that all in Pima County know that we see them, we support them, and we will stand with them. Thank you.
