## Pima County Healthcare Benefits Trust Membership – Trustee Term

### Background

On May 14, 2013, the Pima County Healthcare Benefits Trust document was established. At that time, four individuals were appointed to serve as the inaugural Board of Trustees.

Trustee Dr. Neil R. West's appointment will expire on May 14, 2014. According to the Trust Document, "*a member may serve no more than two consecutive terms.*"

### Recommendation

I recommend the Board of Supervisors appoint Dr. Neil R. West to a second term on the Pima County Healthcare Benefits Trust Board of Trustees. This term would expire on May 13, 2017.

Respectfully submitted,
