Please place the following item on the Board of Supervisors Addendum for the May 13, 2014 meeting.

### **Board of Supervisors**

Study sessions for the County Administrator's Recommended Budget Fiscal Year 2014/15.  
Discussion/Schedule (District 1)

---

Due to the size and scope of the County Administrator's Recommended Budget for Fiscal Year 2014/15, I am requesting a 4-hour study session. This study session will allow the County Administrator and Pima County Department Directors to answer any questions the Board of Supervisors and the public may have. This will further assist the Supervisors in developing a clear understanding of where tax dollars are really going.

Study sessions are a best practice conducted by all municipalities to ensure transparency and accountability to the citizens that the Supervisors represent. The citizens of Pima County deserve an opportunity to be heard during the budget process.

I am advocating that the Pima County Board of Supervisors adopt a study session on behalf of the citizens of Pima County.

I would like to propose the following date and location:

Monday, May 19, 2014  
8:30a.m. – 12:30p.m.  
130 W. Congress, 1<sup>st</sup> Floor

Thank you,  
District 1 Supervisor Ally Miller, Pima County
