RE: Application#

D & K Market
2880 W Drexel Rd, Tucson AZ 85746

To whom it may concern,

It has come to our attention that the above market has applied for an alcohol license at the stated address. We would like to inform of our deep concern for another liquor establishment in our area. There are already several liquor establishments that are up and running in our area:

Del Valle Meat Market
2611 W Drexel Rd
Tucson AZ, 85746

Lazy V
2812 W Alvard Rd
Tucson AZ, 85746

Carniceria El Herradero
2770 W Valencia Rd
Tucson AZ, 85746

Famous Sams
3010 W Valencia Rd
Tucson AZ, 85746

Rocky Point Drive Thru
2526 W Valencia Rd
Tucson AZ, 85746

Pima Liquors
2858 W Drexel Rd
Tucson AZ, 85746

As you can see, we are surrounded in our neighborhood by liquor establishments. We do not feel that adding another one will be beneficial to our community. This neighborhood already deals with lots of crime, vagrancy, and intoxicated individuals. Granting another petition for an alcohol license would just add to the high level of problems that already exist. Please take our complaint into consideration and do not grant this petition.

To whom it may concern...

Hi, my name is Donaldo Chavez. I am a everyday neighborhood customer of PIMA LIQUOR'S, IT is brought to my attention That there will be a opening of another store in the same plaza. In my opinion as some one who lives less than .5 of a mile away, It WILL NOT be a good Idea if they sell alcohol, I know that because there is all ready too many stores in this area you got both gas stations on mission & drexel, Rocky Point liquors, a meat market next door, another just east of Pima liquor, you got wall mart, Am/pm safe way & a block away, Circle K & Quick trip across the street. IF D&K becomes another alcohol sales place it will increase crime rate in my area, more Traffic, & more alcohol Theft. There is a circle K less than 2.2 miles away from Pima liquor, that has the #1 Crime rate in tucson. Circle K store # 2915, 2840 w Los reales rd 85746. 80% alcohol, the other 20% Tabaco Products or robbery. There is a hot dog stand in same parking lot of D&K a elder man who bearylly speaks english, I was talking to him about the opening & the alcohol situation he said he will be against The sales of alcohol as well because he knows crime will increase. Him self was telling me that he recently was robbed at gun point twice by people who he belives were intoxicated. He dosent think there should be another alcohol vendor in the area. "we have too many all ready". Emilio (Hotdog guy.

PETITION AGAINST THE NEW LIQUOR LICENSE

APPLIED FOR AT 2880 W DREXEL RD.

This petition is being written to in PROTEST of the new Liquor application applied for at 2880 W Drexel Rd, Application number 20961. Dated 5-14-2018

WE are protesting because we are the parents of students at Pistor Middle School and parents of students of LITTLE FRIENDS LEARNING CENTER, a licensed preschool with the State of Arizona and PISTOR Middle School. The Preschool school is located at 2846 W Drexel, approximately 190' feet from the proposed new location, in the very same center that the application is being applied for. There currently exists a Liquor store that has been at same location for years and we feel the exiting Liquor store serves the needs of the immediate area. Adding more alcohol in this area will only bring a negative element that we really don't want here.

WE ARE PROTESTING FOR THE FOLLOWING REASONS, Please check the reason you're protesting.

- 1. We already have a full liquor store in the center and it serves the local needs.
- 2. Additionally there is Liquor being sold on the corner of Valencia and Cardinal, and another on Irvington and Cardinal and another on Drexel and Mission, at The Diamond, Shamrock.
- 3. We boarder the reservation and know the Tribe has no interest in seeing more alcohol in the immediate area.
- 4. Our Preschool is 190' feet away from the new location, this is too close. Pistor, The middle school is within 1/8th of a mile. We have too much Liquor already.
- 5. We feel the new location will only attract more pan handling, vagrancy and OVER all a NEGATIVE ELEMENT and hangout situation right on the corner, WE DON'T WANT NOR NEED ANYMORE ALCOHAL IN THE NEIGHBORHOOD.

Please Print, Sign your name and contact information. There is a hearing scheduled for July 3rd, 2018 at 130 W Congress St, 1st floor at 9 am. Call to verify 520-724-8449. We look forward to seeing you there, you don't have to be there to protest but it would help.

Petition stated "As a customer and a neighborhood resident, I request **State liquor board of Arizona deny any request by D & K Market to sell beer and wine in the Drexel neighborhood** store. The store is small, and the limited space is vital for providing food and living essentials to area residents. Furthermore, there is ample availability to purchase all forms of alcohol within the neighborhood from existing stores." furthermore "the decrease in proportion of retail space committed to food and fresh goods which serve the needs of a school and a neighborhood with a growing number of children"
"Overconcentration of licensed establishments in the area, at least"
11 liquor/beer stores within 400 feet
Dozens of bars/restaurants/clubs on W. Drexel, all the way up to Valencia and cardinal, Valencia and Midvale, West Irvington Road.
Reduces amount of space available for fresh products, groceries, & other basic consumable on the street when alcohol is already available.

So in conclusion **There is No need for a liquor license at this location. (D & K Market 2880 W Drexel Rd Tucson, AZ 85746)** there are too many stores in the area that already have it.

To Whom It May Concern:

I am sincerely requesting that you will understand the detrimental effect that another establishment selling liquor could have on this residential area. This includes an elementary school down Cardinal Road, children that live here getting on and off school buses.

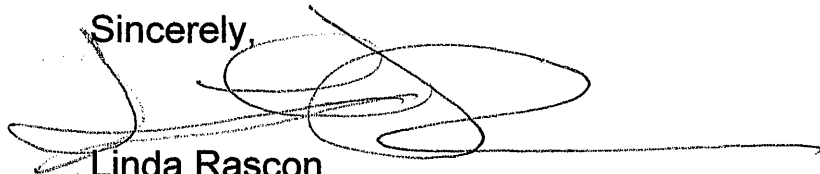

Behind this establishment is a day care center, family ~~restaurant~~ ^{restaurant} and a liquor store. There are also East on Drexel a Circle K and a gas station that sell alcohol.

Please take this request into deep consideration before issuing another liquor license in this area.

APPLIED FOR AT 2880 W DREXEL RD.

This petition is being written to in PROTEST of the new Liquor application applied for at 2880 W Drexel Rd, Application number 20961.

WE are protesting because we are the parents of students of LITTLE FRIENDS LEARNING CENTER, a licensed preschool with the State of Arizona. The school is located at 2846 W Drexel, approximately 190' feet from the proposed new location. The school is located in the very same center that the application is being applied for. There currently exists a Liquor store that has been in place for years and we feel the exiting Liquor store serves the needs of the immediate area. Adding more alcohol in this area will only bring a negative element that we really don't want here.

WE ARE PROTESTING FOR THE FOLLOWING REASONS, Please check the reason you're protesting.

- 1. We already have a full liquor store in the center and it serves the local needs.
- 2. Additionally there is Liquor being sold on the corner of Valencia and Cardinal, and another on Irvington and Cardinal and on Drexel and Mission, a;; around us.
- 3. We boarder the reservation and know the Tribe has no interest in seeing more alcohol in the immediate area.
- 4. Our Preschool is 190' feet away from the new location, this is too close.
- 5. We feel the new location will only attract more pan handling, vagrancy and OVER all a NEGATIVE ELEMENT and hangout situation right on the corner, WE DON'T WANT NOR NEED ANYMORE ALCOHAL IN THE NEIGHBORHOOD.

Please Print, Sign your name and contact information. There is a hearing scheduled for July 3rd, 2018 at 130 W Congress St, 1st floor at 9 am. Call to verify 520-724-8449. We look forward to seeing you there, you don't have to be there to protest but it would help.

D+k Market

2880 W. Drexel Rd, Tucson Az 85746

To whom it may concern,

This letter is in regards to the alcohol license of D+k Market located at Drexel and Cardinal. First and foremost our neighborhood does not need nor want the establishment for the following reasons:

There are already numerous liquor stores and markets in the area. Another is not needed.

Currently there is minimal traffic and accidents in the area. The market may cause congestion, traffic jams and possible accidents.

There is a learning center daycare and middle school with impressionable students within walking distance of the market.

UNIVERSITY MICROFILMS

Their safety is our uppermost concern.

There is currently minimal crime in the area and this establishment may likely cause burglaries, vandalism and violence.

This area is currently a quiet, peaceful family oriented neighborhood and our main concern is to keep it safe, protected and accident free.

We would greatly appreciate any and all consideration given to this delicate matter.

Sincerely,

Danielle Alegria
