## Fiscal Year 2023/24 Final Budget Adoption

### Background

I submitted the [Fiscal Year \(FY\) 2023/24 Recommended Budget](#) to the Board of Supervisors on April 28, 2023.

The Board tentatively adopted the \$1,760,492,343 combined overall budget on May 16, 2023, as proposed in my May 16, 2022, Tentative Budget Adoption for Fiscal Year 2023/24 Board of Supervisors [memorandum](#).

### **Proposed Changes to the Tentative Adopted Budget**

The proposed Final Adopted Budget now includes the following adjustments to what was presented during the May 16, 2023 adoption of the Tentative Budget:

#### **General Fund**

Justice Courts - Green Valley has been increased by \$60,604 due to a rise in workload and the expansion of services.

Office of Emergency Management and Homeland Security has been increased by \$30,000 to provide the Mount Lemmon Fire District with funding to support staff recruitment and retention and make strides toward their goal of apparatus replacement.

The inflation contingency, initially set at \$5 million, has been reduced to \$4,909,396 to offset these increases.

Including the adjustments above, the General Fund's proposed final adopted expenditures of \$755,105,219 remain unchanged from the amount approved in the Tentative Adopted Budget.

### Recommendation

I recommend the Board of Supervisors adopt the proposed Final Fiscal Year 2023/24 Budget amounts and tax rates as outlined in the table below. These amounts and property tax rates are the same as those resulting from the Board's action at the adoption of the overall Tentative Adopted Budget on May 16, 2023, and are reflected in the attached Arizona Auditor General prescribed schedules.

The Honorable Chair and Members, Pima County Board of Supervisors
