Hello,  
I am a concerned U.S citizen who is well aware of the dangers Monsanto has brought upon many people across the globe. I am in favor of safe, healthy communities. I OPPOSE the tax break for Monsanto and strongly urge you to vote NO to 'Project Corn.'

**Subject:** Monsanto in Pima County

Hello, I have lived in Tucson for 56 years and am proud that we have such a wonder, diverse, friendly community. We received an amazing acknowledgement last year with the gastronomic/culinary award. I can not support the Monsanto industry here in Pima County. GMO foods have proven to cause cancer to it's consumers, and the poisons they use on their products pollute the land, water, and air in a huge surrounding area. Please, do not allow Monsanto to work in Pima County & please do not grant them any tax breaks!

Thank you, Tracy Walker-James
