Relationship of the Parties

The parties agree that the grantee shall not be considered an employee, associate, partner, officer, joint venture, or agent of the Department or the State of Arizona as a result of this contract. The grantee is solely responsible for the planning, design, scope, and implementation of the project funded through this contract. No Waiver

Either party's failure to insist on strict performance of any term or condition of this contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

Audit of Records

Pursuant to A.R.S. § 35-214, PIMA COUNTY CONSTABLES (Grantee) shall retain and shall contractually require each subcontractor to retain all records relating to this contract for a period of five years after completion of the contract and until any litigation, claim, negotiation, audit, cost recovery, or action involving the records has been completed. All records shall be subject to inspection and audit by the State of Arizona at reasonable times. Upon request, the grantee shall produce the original of any or all such records.

Indemnification

The grantee shall indemnify, defend, save, and hold harmless the State of Arizona, its departments, agencies, boards, commissions, universities, and its officers, officials, agents, and employees (hereinafter referred to as "indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and cost of claim processing, investigation, and litigation) (hereinafter referred to as "claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the grantee or any of its owners, officers, directors, agents, employees or subcontractors. IV. Grant Application Package Materials

This section reflects the Grant Application itself. Please respond to each of the requests below in the required fields. **TIPS:** Be thorough. The Board seeks assurance of fiscal and performance responsibility from grant applicants in the form of a well-prepared, thorough request for funding.

A. Statement of Applicant Eligibility

Instructions: Please describe the nature of your organization and explain how it is eligible to apply for the Constable Ethics, Standards & Training Board Equipment Grant Program. Please limit your response to no more than 1,000 words and attach evidence of your eligibility as documented exhibits.

B. Project Proposal Form

Instructions: Please describe completely the project you propose to complete if awarded the Constable Ethics, Standards and Training Board Equipment Grant. Be complete in your description of the project. **At a minimum** your response to this form must contain:

- A detailed description of the proposed project.
- An explanation of needs for equipment purchases.
- An explanation of outcomes to be expected from the funding proposal.
- An explanation of how grant funds will be used (this is not a substitute for the Project Budget required in Section IV C.)

The Pima County Constables Office would like to purchase three (3) Olympus TG-850 digital cameras for use in the field. These cameras are water-proof, drop resistant and specifically designed for rugged outdoor use. The Constables office currently uses Pentax Optio Cameras which are 6 years old and three of them are no longer functioning and we lack the funding necessary to replace them. As a result constables have been unable to photograph incidents unless they use a cell phone. Even with the use of a cell phone many photos are not usable due to low light and resolution compromises. In addition, the Constables Office utilizes cameras to properly photograph incidents and posting of notices in the field to reduce claims against the constable and the county. They provide the constable with the ability to photograph potential evidence for use by local law enforcement, child protective services and code enforcement issues to mention a few. Constables also utilize their cameras to photograph and video record incidents for training purposes.
