Clerk of the Board  
Pima County Board of Supervisors  
33 N. Stone Avenue  
Suite 100  
Tucson, Arizona 85701-1404

Dear Clerk of the Board

Incorporate Vail Arizona has been working with all the agencies within Pima County to proceed towards incorporation. We have worked with staff to develop our boundary.

The proposed boundary is attached to this letter. Because of the tight time frame on this process, the petition number is assigned by the election department and this will be formally submitted and assigned on June 29<sup>th</sup>.

However, this letter is to let you know that we would like this issue to be on the July 11th Board of Supervisor's meeting.

Thank you,  
  
David Hook, President  
Incorporate Vail Arizona
