Dear Pima County Board of Supervisors -

As a Pima County resident, I am writing to let you know that I oppose funding of Humane Borders and their misguided assistance to those who are invading our country. Supplying aide to the people who are tearing our communities apart by smuggling in drugs and taking advantage of the weak an vulnerable as human cargo/product is NOT "humane" - it is evil.

I strongly oppose you spending my hard-earned money on this idiotic scheme that only aids in criminal activity. When people cannot leave their property unattended anywhere in western Pima County because it will be vandalized by illegals, you as county leaders have failed us. In fact, by funding Humane Borders, you show that you are against the very people who put you in office. I believe there is an election coming up....

Most Sincerely,

Liz Bartel

I STAND with the private citizens who are eliminating the aid set out for cartel smugglers. I DO NOT approve Humane Borders being funded by my taxes to aid these criminals. Please DEFUND Humane Borders.

Sincerely,
Vanessa Harris
