CLERK OF THE BOARD

17. **Petition for Relief of Taxes**

Pursuant to A.R.S. §42-11104, Science Technology Engineering and Math Arizona (STEM AZ) has petitioned the Board of Supervisors for relief of taxes and associated interest/penalty for tax year 2018, for Parcel No. 134-11-3740.

It was moved by Supervisor Bronson and seconded by Supervisor Valadez to approve this item. No vote was taken at this time.

Andrew Flagg, Chief Civil Deputy County Attorney, stated that according to the Assessor's review, the property was not entitled to the exemption because the ownership of the property had not been established. He explained that there was no clear determination within the statutes to determine who had authority to approve the exemption.

Upon the vote, the motion carried 4-1, Supervisor Miller voted "Nay."

18. **Petitions for Redemption of Property Tax Exemption Waiver**

PROCUREMENT

24. The Board of Supervisors on January 22 and February 19, 2019, continued the following:

Award

Award: Master Agreement No. MA-PO-19-105, The Lincoln National Life Insurance Company, d.b.a. Lincoln Financial Group (Headquarters: Fort Wayne, IN), to provide for short-term disability insurance. This Master Agreement is for an initial term of one (1) year in the annual award amount of \$1,700,000.00 (including sales tax) and includes four (4) one-year renewal options. Additionally, the Board of

Supervisors authorizes the Procurement Director to execute the contract, contingent upon the Human Resources Director's acceptance of the policy. Funding Source: Pima County Health Care Benefits Trust Fund. Administering Department: Human Resources.

It was moved by Supervisor Bronson and seconded by Supervisor Valadez to approve the item. No vote was taken at this time.

Chairman Elías noted that because certain individuals had been excluded from the short-term disability discussion, the Board continued this item so that the County Administrator could consult with both the Union and Human Resources regarding these concerns.

Supervisor Miller inquired about the Internal Service Fund balance for the Health Benefit Trust Fund.

Thomas Burke, Deputy County Administrator, responded that as of June 30, 2018, the fund balance was \$35.4 million. He explained that the program's cost expectations had consistently come in under due to the wellness program and lower pharmaceutical costs.

Supervisor Miller inquired about lowering employee premiums instead of using the overage to fund short term disability.

Mr. Burke responded that employee premiums had been reduced over the years, but several employees had a zero premium which did not allow for a significant reduction. He indicated that the purpose of the fund was to provide employees with affordable benefits and some of those employees currently paid for their own short-term disability because it was not provided by the State. He added that the Catastrophic Leave Bank (CAT Bank) only covered a quarter of the employees, and the Health Benefits Trust Advisory Board agreed that this benefit could be offered without impacting the current budget.

Supervisor Miller expressed concern over the \$8.5 million that would be expended utilizing this fund over a 5-year period. She asked what would happen if the fund balance was depleted and whether the County would be obligated to continue providing this benefit.

Mr. Burke responded that health benefits were provided at the Board's discretion. He added that it would be difficult, but not impossible, for the Board to retract any benefits. He indicated that originally an outside insurance firm was going to be utilized, but the County discovered that handling it internally would provide significant cost savings.

Supervisor Miller expressed concern over the County being obligated to continue to provide the benefit, even without funding.

Chairman Elías stated that a benefit was a reciprocal relationship between the employer and the employee, and employees earned these benefits during their course of employment.

Supervisor Miller stated that within the private sector, these kind of benefits were paid for by the employees.

Chairman Elías indicated that the private sector applied different rules for the benefits they offered. He added that these types of employment benefits were important for the County to offer.

Supervisor Miller agreed that benefits were important, but expressed concern that the obligation could pose a problem in the future.

Supervisor Christy inquired about previous abuses within the program and the benefit.

Mr. Burke responded that the current short-term disability plan was only utilized by the employees that purchased it through contract with the County.

Supervisor Christy asked if that included the CAT Bank Plan.

Mr. Burke responded that this benefit would replace the CAT Bank Plan and added that no abuse had been observed. He explained that the problem was that there was a greater use of the CAT Bank than anticipated and a greater use of sick leave contributions than what was received from employees. He stated the yearly contributions received were 10,000 to 12,000 hours of leave, but 14,000 to 15,000 hours of leave were being utilized. He indicated that the plan was out of hours and anyone enrolled in the plan would lose benefits within the next month.

Supervisor Christy asked if the plan had been used by anyone other than an employee.

Mr. Burke responded no.

Upon the vote, the motion carried 4-1, Supervisor Miller voted "Nay."

REAL PROPERTY

CONTRACT AND AWARD

Economic Development

6. Rio Nuevo Multipurpose Facilities District, Amendment No. 1, to provide an Extension of Option Agreement for the Cushing Street property, extend contract term to 12/13/20 and amend contractual language, no cost (CTN-CA-17-118)

It was moved by Supervisor Bronson and seconded by Supervisor Valadez to approve the item. No vote was taken at this time.

Supervisor Miller asked why the property was being leased for \$100.00 a year. She also asked why the property was not sold or leased to Rio Nuevo at fair market value.

Jan Leshner, Chief Deputy County Administrator, responded that the County had been working with Rio Nuevo to ensure the best use of the property and Rio Nuevo was looking to continue that relationship as negotiations were underway.

John Moffatt, Director, Economic Development, stated that a caveat to the lease and option agreement was that the County was able to control development on the parcel. He added that allowed the County to make sure the parcel was used appropriately and developed at the highest and best level.

Supervisor Miller expressed concern over the parcel being vacant.

Mr. Moffatt indicated that at one time the property housed the Teresa Lee Clinic but was vacated and was used occasionally for gem show parking.

Supervisor Miller reiterated her concern about leasing the property.

Mr. Moffatt explained that it was a joint development and Rio Nuevo would provide incentives such as Class A office space downtown. He added that the property would continue to appreciate and selling it would remove the County from having any control over how the property was developed.

Supervisor Miller inquired whether this included the multi-story office building at 75 East Broadway that was currently being developed.

Mr. Moffatt responded that 75 East Broadway was included and the project plan was the same between both parcels. He indicated that both parcels would be Class A office buildings with retail on the bottom floor and parking.

Supervisor Miller inquired whether the County would receive fair market value once the property was developed.

Mr. Moffatt responded that the same provision would apply and when the project was completed an appraisal would be conducted and the property would be sold at the new value.

Supervisor Miller inquired whether the property would be sold at the \$2 million appraised value.

Mr. Moffatt responded that the new appraisal would set the new value and he anticipated it being over \$2 million.

Supervisor Miller expressed her disagreement with the Attorney General's opinion that the Rio Nuevo District was not subject to the gift clause. She stated that she would not vote in favor of the contract.

Upon the vote, the motion carried 4-1, Supervisor Miller voted "Nay."

Health

9. Conduent Healthy Communities Corporation, to provide for a Platform License Agreement, Health Special Revenue Fund, contract amount \$55,000.00/5 year term (CT-HD-19-397)

It was moved by Supervisor Bronson and seconded by Supervisor Valadez to approve the item. No vote was taken at this time.

Supervisor Miller inquired about the lease term.

Jan Leshner, Chief Deputy County Administrator, responded that the lease was for a five year period.

Upon the vote, the motion unanimously carried 5-0.

Procurement

10. **Award**
Amendment of Award: Master Agreement No. MA-PO-18-344, Amendment No. 1, Hennessy Mechanical Sales, L.L.C., to provide for Fairbanks Morse and Moyno pumps and pump parts. This amendment is for a one-time increase in the amount of \$200,000.00 for a cumulative not-to-exceed contract amount of \$364,000.00. Funding Source: Wastewater Enterprise Fund. Administering Department: Regional Wastewater Reclamation.

It was moved by Supervisor Bronson and seconded by Chairman Elías to approve the item. No vote was taken at this time.

Supervisor Miller asked whether the contract's increase was due to the increase in biosolid and parts on pumps failing. She also asked whether the polymers used by the County in the past posed a problem with the pumps and whether those issues contributed to yearly maintenance costs.

Jackson Jenkins, Director, Regional Wastewater Reclamation Department, responded that the twenty pumps at the facility were different types of Moyno pumps. He indicated that the three Moyno pumps handling biosolids had to pump the dewatered, thickened biosolids which had the consistency of mud. He explained that the more concentrated the material was, the harder the pumps had to work. He added that they were hoping to reduce the maintenance cost on those three Moyno pumps that were pumping mud.

Supervisor Miller inquired whether the three pumps were causing the problems.

Mr. Jenkins responded that every pump required routine maintenance, but those three were the most problematic because of the work environment.

Upon the vote, the motion unanimously carried 5-0.

11. **Award**

Award: Master Agreement No. MA-PO-19-122, Carbon Activated Corporation (Headquarters: Compton, CA) - Primary, and Prominent Systems, Inc. (Headquarters: Industry, CA) - Secondary, to provide for activated carbon and turnkey change-out service. This Master Agreement is for an initial term of one (1) year in the shared annual award amount of \$1,200,000.00 (including sales tax) and includes four (4) one-year renewal options. Funding Source: Wastewater Enterprise Fund. Administering Department: Regional Wastewater Reclamation.

It was moved by Supervisor Bronson and seconded by Chairman Elías to approve the item. No vote was taken at this time.

Supervisor Miller asked whether carbon replacement was done annually.

Jackson Jenkins, Director, Regional Wastewater Reclamation Department, responded that carbon use was critical in fighting odors and needed to be replaced on a regular basis.

Supervisor Miller inquired about the contract and asked why an additional supplier was being added.

Mr. Jenkins indicated that most of the carbon was acquired from Asia and that presented a challenge. He stated that the tariffs placed on carbon made it expensive and deliveries were problematic under the previous contract. He stated that the reasoning for going with a primary and a secondary provider was to ensure a backup.

Supervisor Miller asked what percentage of the price increase was due to the tariffs.

Mr. Jenkins responded twenty percent.

Upon the vote, the motion unanimously carried 5-0.

12. **Award**

Award: Master Agreement No. MA-PO-19-135, James, Cooke and Hobson, Inc. (Headquarters: Albuquerque, NM), to provide for Flygt submersible pumps and parts. This Master Agreement is for an initial term of one (1) year in the annual award amount of \$588,000.00 (including sales tax) and includes four (4) one year renewal options. Funding Source: Wastewater Enterprise Fund. Administering Department: Regional Wastewater Reclamation.

It was moved by Supervisor Bronson and seconded by Chairman Elías to approve the item. No vote was taken at this time.

Supervisor Miller asked whether the pumps were new or replacement pumps.

Jackson Jenkins, Director, Regional Wastewater Reclamation Department, responded that it was a combination of both, new and repair parts for existing pumps. He added that additional pumps were being purchased and would be used for spare parts.

Upon the vote, the motion unanimously carried 5-0.

13. **Award**

Award: Master Agreement No. MA-PO-19-124, multiple contractors for sodium hypochlorite 12.5%. This Master Agreement is for an initial term of one (1) year in the shared annual award amount of 1,300,000.00 (including sales tax) and includes four (4) one-year renewal options. Funding Source: Wastewater Enterprise Fund. Administering Department: Regional Wastewater Reclamation.

Contractor/Headquarters/Award

HASA, Inc./Saugus, CA/Primary-Group A
Hill Brothers Chemical Co./Orange, CA/Secondary-Group A and Primary-Group B
E-konomy Pool Service, Inc./Tucson, AZ/Secondary-Group B

It was moved by Supervisor Bronson and seconded by Chairman Elías to approve the item. No vote was taken at this time.

Supervisor Miller inquired about the disparity in the amounts listed for the hypochlorite.

Jackson Jenkins, Director, Regional Wastewater Reclamation Department, responded that the initial information provided was not accurate. He stated that the correct cost for hypochlorite was \$1.1 million.

Upon the vote, the motion unanimously carried 5-0 vote.

16. Old Pueblo Community Services, to provide for the Permanent Supportive - Housing First Pilot Project, General Fund, contract amount \$1,500,000.00 (MA-PO-19-134) County Administration

It was moved by Chairman Elías and seconded by Supervisor Bronson to approve this item. No vote was taken at this time.

Supervisor Miller expressed her concern over the project being funded with General Funds and asked why grant funding had not been pursued.

Jan Leshar, Chief Deputy County Administrator, responded that the County had pursued a variety of grants for the two programs. She indicated that this was an extension of the MacArthur Grant and additional funding received, approximately \$3 million. She stated that they would continue to actively explore additional grant resources. She indicated that the Pay for Success study, conducted with the Sorenson Institute, showed that the program was a funding mechanism that would cost the County more by providing additional funding to external partners. She explained that the reason this one component was funded using the General Fund was to immediately decrease other costs.

Supervisor Miller inquired whether decreases were anticipated for the County Attorney's Office or Sheriff's Department budgets.

Ms. Leshar responded that cuts would be seen across the board, especially in behavioral and medical health. She indicated that the in-depth review of the two models was to ensure that no additional capacities facilities needed to be built. She indicated that the decreases would positively affect the defense, prosecution and health sides, as well as some of the County's external partner costs.

Supervisor Miller inquired about the value of the vouchers that the City of Tucson had committed.

Ms. Leshar responded that she did not have the values available but would provide the information. She added that the value that was provided adequately provided reimbursement for those individuals using the beds within the facility.

Supervisor Miller inquired about the third party consultants, Rand Corporation and Corporation for Support of Housing, and asked why they were not identified on the contract. She also asked what the consultants were paid.

Ms. Leshar responded that they were funded in-part through the MacArthur Grant and other grants through the Criminal Justice Reform Unit.

Supervisor Miller inquired if it was 100% grant funded.

Ms. Leshar responded that was her understanding, but she would follow up. She indicated that the purpose of the MacArthur Grant and the Criminal Justice Reform Unit was to ensure that the County provided a review and evaluation component and that the program had the desired results.

Supervisor Miller inquired about the role, responsibility and cost for the program manager.

Ms. Leshar stated that she would provide that information. She indicated that the position was budgeted within the current budget and would be before the Board during budget adoption.

Supervisor Miller asked whether the position was funded through the program or grant funded.

Ms. Leshar responded that the position was funded using the General Fund and was included in the budget proposal.

Supervisor Miller asked whether that was above the \$1.5 million.

Ms. Leshar responded that it was not in addition to the \$1.5 million.

Supervisor Miller inquired about the County Administrator's memorandum which indicated that 95% of the individuals living in the household would be undocumented.

Ms. Leshar stated that she was not aware of that component of the program. She explained that the focus was not on citizenship but on decreasing recidivism and moving individuals out of the jails and reducing the County's costs.

Supervisor Miller referenced the County Administrator's memorandum which listed criteria for determining program eligibility and she indicated that the memorandum addressed households where 100% of the members did not have eligible immigration status.

Ms. Leshar explained that could indicate someone within the extended family and did not include the individual that the County was working with on

providing permanent supportive housing. She stated that the County was not focused on whether the entire family were citizens but was focused on the individual that was going to be placed within the facility.

Chairman Elías explained that when the Housing and Urban Development vouchers were used for Section 8 or low-rent public housing, anyone undocumented would not be eligible.

Upon the vote, the motion carried 4-1, Supervisor Miller voted "Nay."
