Message Subject	Sales Tax for roads
Should Pima County adopt a half-cent general sales tax	No
Adoption of a half-cent general sales tax comment	I live in Picture Rocks. There is a lot of opposition to even a temporary small sales tax here. Some of that stems from a distrust of government, the County Board and Supervisor and doubt that the money will be used for the intended purpose.
Should tax revenue be spent on road repair property tax or both	Road Repair Only
How should tax revenue be spent comment	If one passes use for road repair only. But in Picture Rocks I find that there is confusion as to what is a county maintained road and easements. If only there were a simpler process to get county road recognition.
Sales tax be temporary or permanent	Temporary
Sales tax be temporary or permanent comment	And an audit needs to be performed every 12 - 24 months to prove that the money is being used on

Should Pima County adopt a half-cent general sales tax	No
Adoption of a half-cent general sales tax comment	<p>We pay high HOA dues to keep our roads up. There are other HOA's that have public roads. We feel that we pay enough for road upkeep and the state is dropping the ball on funding. You tell us WHY we should bail out the state when the consistently divert road money to pay for things other than roads.</p>
Should tax revenue be spent on road repair property tax or both	
How should tax revenue be spent comment	None of the above. See comment # 1
Sales tax be temporary or permanent	
Sales tax be temporary or permanent comment	No tax increase! This is a very slanted poll.
