

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: July 7, 2020

Title: Andrada Road All-Way Stop

Introduction/Background:

The residential subdivision, Andrada Ranch Phase 2, is currently under construction off of Andrada Road between Wentworth Road and Davidson Road. The engineer for the development recommended the installation of an all-way stop at Andrada Road and Rincon View Drive as a result of limited sight distance at the two adjacent development roads. Rincon View Drive is currently stop controlled at Andrada Road.

Discussion:

Andrada Ranch Phase 2 included the installation of two new roadways that intersect with Andrada Road, Blazing Saddle Road and Cattle Tank Drive. Due to the vertical roadway profile of Andrada Road, the sight distance on the west approach to Blazing Saddle Road and the east approach to Cattle Tank Drive is limited. An all-way stop at Andrada Road and Rincon View Drive is recommended to provide for acceptable sight distance on the approaches to each adjacent road.

Conclusion:

The intersection of Andrada Road and Rincon View Drive be designated an all-way stop intersection to provide for acceptable sight distance on the Andrada Road approaches to Blazing Saddle Road and Cattle Tank Drive.

Recommendation:

The intersection of Andrada Road and Rincon View Drive be designated an all-way stop intersection.

Fiscal Impact:

Minimal

RE: ANDRADA RANCH – PHASE 2 INTERSECTIONS SVT'S

Dear Joseph:

Thanks for meeting us regarding the safety of the intersection of Andrada Road and Blazing Saddle / Cattle Tank Drive.

After our meeting with you and your County Staff, my Engineer Paul Nzomo and myself visited the site and we propose a 3- way Stop Signage at the intersection of Rincon View Drive and Andrada Road. There is already a Stop Sign at the intersection of Rincon View Drive and Andrada Road. We will be adding two more Stop signs on Andrada Road for both East and West bound traffic.

Please let me know your input.

Sincerely,

John Agresti,
Corner Stone Homes
