To; Board of Supervisors, as a proud Tucsonan I would like to see our town end the support of horse racing. Why support a sport that allows for and then makes excuses for the death of the participants! It is inhumane, unnecessary and not popular with most people. Why use resources to lift up horseracing when only a very small majority of people enjoy it. Please find better uses for the money and not renew the contract for horse racing at Rillito.

Sincerely
Jane Parent

Dear Pima County Supervisors,

I am writing this to entreat you to vote NO on the upcoming Rillito race track renewal.

In spite of the revenues horse racing brings to the local economy, horse racing has recently proved to be quite detrimental to many of these unfortunate animals. Besides the immorality of the activity, the track at Rillito is too short for safe racing as the horses are running too fast when they get to the first turn, making it an 'accident' waiting to happen. Most race tracks are 8 furlongs around, Rillito is only 5.

Please vote NO.

Yours truly,

Evan Phillips.
