*Public Benefit:

Pima County residents stand to save significant tax dollars by having the Restorative Justice Program divert eligible felony level offenses to the program- as it is largely run through volunteer community members- as opposed to cases being routed through the traditional criminal justice system. Furthermore, participating victims of crime have the opportunity to have their sense of safety restored, contributing to an overall healthier community. Root causes of crime are able to be addressed, contributing positively to community safety.

*Metrics Available to Measure Performance:

Pima County Attorney's Office will be reviewing and approving invoices to monitor services provided under this agreement required to meet the needs of the program.

*Retroactive:

Yes. County and contractor had delays finalizing the scope of services and the budget. Due to these delays, County was unable to submit amendment to the Board before the contract commencement date.

PROFESSIONAL SERVICES CONTRACT

1. Parties and Background.

- 1.1. <u>Parties</u>. This Contract is between Pima County, a body politic and corporate of the State of Arizona ("<u>County</u>"), and The Center for Mediation and Facilitation ("<u>Contractor</u>").
- 1.2. <u>Authority</u>. County selected Contractor pursuant to and consistent with Board of Supervisors Policy D 29.6.III.C.

2. Term.

- 2.1. <u>Initial Term</u>. The term of this Contract commences on June 1, 2023, and will terminate on May 31, 2024 ("<u>Initial Term</u>"). "Term," when used in this Contract, means the Initial Term plus any exercised extension options under Section 2.2. If the commencement date of the Initial Term is before the signature date of the last party to execute this Contract, the parties will, for all purposes, deem the Contract to have been in effect as of the commencement date.
- 2.2. Extension Options. County may renew this Contract for up to two (2) additional periods of up to 1 year each (each an "Extension Option"). An Extension Option will be effective only upon execution by the Parties of a formal written amendment.
- 3. **Scope of Services**. Contractor will provide County with the services described in **Exhibit A** (1 page), at the dates and times described on **Exhibit A** or, if **Exhibit A** contains no dates or time frames, then upon demand. The Services must comply with all requirements and specifications in the Solicitation.
- 4. Key Personnel. Contractor will employ suitably trained and skilled professional personnel to perform all consultant services under this Contract. Prior to changing any key personnel, especially those key personnel County relied upon in making this Contract, Contractor will obtain the approval of County. The key personnel include the following staff:

Catherine Tornbom (Chair), Rita Pollak (Co-chair), Christina Medvescek (RJ Trainer)

5. Compensation and Payment.

- 5.1. <u>Rates; Adjustment.</u> County will pay Contractor at the rates set forth in **Exhibit B** (2 pages). Those rates will remain in effect during an Extension Option period unless Contractor, at least 90 days before the end of the then-existing Term, or at the time the County informs Contractor that the County intends to extend the Term, if that is earlier, notifies County in writing of any adjustments to those rates, and the reasons for the adjustments.
- 5.2. <u>Maximum Payment Amount</u>. County's total payments to Contractor under this Contract, including any sales taxes, may not exceed \$26,468.96 for the current one-year Term (the "<u>NTE Amount</u>"). The NTE Amount can only be changed by a formal written amendment executed by the Parties. Contractor is not required to provide any services, payment for which will cause the County's total payments under this Contract to exceed the NTE Amount; if Contractor does so, it is at the Contractor's own risk.
- 5.3. <u>Sales Taxes</u>. The payment amounts or rates in **Exhibit B** do not include sales taxes. Contractor may invoice County for sales taxes that Contractor is required to pay under this Contract. Contractor will show sales taxes as a separate line item on invoices.
- 5.4. <u>Timing of Invoices</u>. Contractor will invoice County on a monthly basis unless a different billing period is set forth in **Exhibit B**. County must receive invoices no more than 30 days after the end of the billing period in which Contractor delivered the invoiced products or services to County. County may refuse to pay for any product or service for which Contactor does not timely invoice the County and, pursuant to A.R.S. § 11-622(C), will not pay for any product or service invoiced more than 6-months late.
- 5.5. <u>Content of Invoices</u>. Contractor will include detailed documentation in support of its invoices and assign each amount billed to an appropriate line item.
- 5.6. <u>Invoice Adjustments</u>. County may, at any time during the Term and during the retention period set forth in Section 22 below, question any payment under this Contract. If County raises a question about the propriety of a past payment, Contractor will cooperate with County in reviewing the payment. County may set-off any overpayment against amounts due to Contractor under this or any other contract between County and Contractor. Contractor will promptly pay to County any overpayment that County cannot recover by set-off.
- 6. **Insurance**. Contractor will procure and maintain at its own expense insurance policies (the "Required Insurance") satisfying the below requirements (the "Insurance Requirements") until all its obligations under this Contract have been met. The below Insurance Requirements are minimum requirements for this Contract and in no way limit Contractor's indemnity obligations under this Contract. The County in no way warrants that the required insurance is sufficient to protect the Contractor for liabilities that may arise from or relate to this Contract. If necessary, Contractor may obtain commercial umbrella or excess insurance to satisfy the Insurance Requirements.
 - 6.1. <u>Insurance Coverages and Limits</u>: Contractor will procure and maintain, until all its obligations have been discharged, coverage with limits of liability not less than those

stated below. Coverage must be placed with insurers acceptable to the County with A.M. Best rating of not less than A-VII, unless otherwise approved by the County.

- 6.1.1. Commercial General Liability (CGL) Occurrence Form with limits not less than \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate. Policy shall include coverage for liability arising from premises, operations, independent contractors, personal injury, bodily injury, broad form contractual liability and products-completed operations.
- 6.1.2. <u>Business Automobile Liability</u> Coverage for bodily injury and property damage on any owned, leased, hired, and/or non-owned autos assigned to or used in the performance of this Contract with minimum limits not less than \$1.000.000 Each Accident.
- 6.1.3. Workers' Compensation and Employers' Liability Statutory coverage for Workers' Compensation. Workers' Compensation statutory coverage is compulsory for employers of one or more employees. Employers Liability coverage with limits of \$1,000,000 each accident and \$1,000,000 each employee disease.
- 6.1.4. Professional Liability (E & O) Insurance This insurance is required for work from professionals whose coverage is excluded from the above CGL policy. The policy limits shall be not less than \$2,000,000 Each Claim and \$2,000,000 Annual Aggregate. The insurance shall cover professional misconduct or negligent acts of anyone performing any services under this contract.

6.2. Additional Coverage Requirements:

- 6.2.1. Claims Made Coverage: If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date must precede the effective date of this Contract, and Contractor must maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.
- 6.2.2. <u>Additional Insured Endorsement</u>: The General Liability and Business Automobile Liability Policies shall each be endorsed to include Pima County, its departments, districts, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by or on behalf of the Contractor.
- 6.2.3. <u>Subrogation Endorsement</u>: The General Liability, Business Automobile Liability and Workers' Compensation Policies shall each contain a waiver of subrogation endorsement in favor of Pima County, and its departments, districts, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.
- 6.2.4. <u>Primary Insurance Endorsement</u>: The Required Insurance policies must stipulate that they are primary and that any insurance carried by County, or its agents, officials, or employees, is excess and not contributory insurance.

- 6.2.5. The Required Insurance policies may not obligate County to pay any portion of Contractor's deductible or Self Insurance Retention (SIR).
- 6.2.6. <u>Subcontractors</u>: Contractor must either (a) include all subcontractors as additional insureds under its Required Insurance policies, or (b) require each subcontractor to separately meet all Insurance Requirements and verify that each subcontractor has done so, Contractor must furnish, if requested by County, appropriate insurance certificates for each subcontractor. Contractor must obtain County's approval of any subcontractor request to modify the Insurance Requirements as to that subcontractor.

6.3. Notice of Cancellation:

Contractor must notify County, within two (2) business days of Contractor's receipt of notice from an insurer, if any Required Insurance policy is suspended, voided, or cancelled for any reason. Notice must include the Pima County project or contract number and project description.

6.4. Verification of Coverage:

- 6.4.1. Contractor must furnish County with a certificate of insurance (valid ACORD form or equivalent approved by Pima County) for each Required Insurance policy, which must specify that the policy has all the required endorsements, and must include the Pima County project or contract number and project description. Each certificate must be signed by an authorized representative of the insurer.
- 6.4.2. County may at any time require Contractor to provide a complete copy of any Required Insurance policy or endorsement. Note: Contractors for larger projects must provide actual copies of the additional insured and subrogation endorsements.
- 6.4.3. Contractor must provide the certificates to County before work commences. Each Required Insurance policy must be in effect at least 10 days before work under this Contract commences. Contractor must provide County a renewal certificate not less than 15 days prior to a Required Insurance policy's expiration date. - 6.4.4. All insurance certificates must be sent directly to the appropriate County Department.

6.5. Approval and Modifications:

The Pima County Risk Manager may modify the Insurance Requirements at any point during the Term of this Contract. This can be done administratively, with written notice from the Risk Manager and does not require a formal Contract amendment. Neither the County's failure to obtain a required insurance certificate or endorsement, the County's failure to object to a non-complying insurance certificate or endorsement, nor the County's receipt of any other information from the Contractor, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.

7. Indemnification. To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless Pima County and any related taxing district, and the officials and employees of each of them (collectively, "Indemnitee") from and against any and all claims, actions, liabilities, losses, and expenses (including reasonable attorney fees) (collectively, "Claims") arising out of actual or alleged injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by any act or omission of Contractor or any of Contractor's directors, officers, agents, employees, volunteers, or subcontractors. This indemnity includes any claim or amount arising or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Indemnitee will, in all instances, except for Claims arising solely from the acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. Contractor is responsible for primary loss investigation, defense and judgment costs for any Claim to which this indemnity applies. This indemnity will survive the expiration or termination of this Contract.

8. Laws and Regulations.

- 8.1. <u>Compliance with Laws</u>. Contractor will comply with all federal, state, and local laws, rules, regulations, standards and Executive Orders.
- 8.2. <u>Licensing</u>. Contractor warrants that it is appropriately licensed to provide the services under this Contract and that its subcontractors will be appropriately licensed.
- 8.3. <u>Choice of Law; Venue.</u> The laws and regulations of the State of Arizona govern the rights and obligations of the parties under this Contract. Any action relating to this Contract must be filed and maintained in the appropriate court of the State of Arizona in Pima County.
- 9. Independent Contractor. Contractor is an independent contractor. Neither Contractor, nor any of Contractor's officers, agents or employees will be considered an employee of Pima County for any purpose or be entitled to receive any employment-related benefits, or assert any protections, under the Pima County Merit System. Contractor is responsible for paying all federal, state and local taxes on the compensation received by Contractor under this Contract and will indemnify and hold County harmless from any and all liability that County may incur because of Contractor's failure to pay such taxes.
- 10. Subcontractors. Contractor is fully responsible for all acts and omissions of any subcontractor, and of persons directly or indirectly employed by any subcontractor, and of persons for whose acts any of them may be liable, to the same extent that the Contractor is responsible for the acts and omissions of its own employees. Nothing in this Contract creates any obligation on the part of County to pay or see to the payment of any money due any subcontractor, except as may be required by law.
- 11. **Assignment**. Contractor may not assign its rights or obligations under this Contract, in whole or in part, without the County's prior written approval. County may withhold approval at its sole discretion.
- 12. **Non-Discrimination**. Contractor will comply with all provisions and requirements of Arizona Executive Order 2009-09, which is hereby incorporated into this contract, including flow-down of all provisions and requirements to any subcontractors. During the performance of

- 14. **Authority to Contract**. Contractor warrants its right and power to enter into this Contract. If any court or administrative agency determines that County does not have authority to enter into this Contract, County will not be liable to Contractor or any third party by reason of such determination or by reason of this Contract.
- 15. **Full and Complete Performance**. The failure of either party to insist, in one or more instances, upon the other party's complete and satisfactory performance under this Contract, or to take any action based on the other party's failure to completely and satisfactorily perform, is not a waiver of that party's right to insist upon complete and satisfactory performance, or compliance with any other covenant or condition in this Contract, either in the past or in the future. The acceptance by either party of sums less than may be due and owing it at any time is not an accord and satisfaction.
- 16. Cancellation for Conflict of Interest. This Contract is subject to cancellation for conflict of interest pursuant to A.R.S. § 38-511, the pertinent provisions of which are incorporated into this Contract by reference.
- 17. Termination by County.

In the event of such termination, County's only obligation to Contractor will be payment for services rendered prior to the date of termination.
 - 17.2. With Cause. County may terminate this Contract at any time without advance notice and without further obligation to County when County finds Contractor to be in default of any provision of this Contract.
 - 17.3. Non-Appropriation. Notwithstanding any other provision in this Contract, County may terminate this Contract if for any reason there are not sufficient appropriated and available monies for the purpose of maintaining County or other public entity obligations under this Contract. In the event of such termination, County will have no further obligation to Contractor, other than to pay for services rendered prior to termination.

- 19. **Non-Exclusive Contract**. Contractor understands that this Contract is nonexclusive and is for the sole convenience of County. County reserves the right to obtain like services from other sources for any reason.
- 20. Remedies. Either party may pursue any remedies provided by law for the breach of this Contract. No right or remedy is intended to be exclusive of any other right or remedy and each is cumulative and in addition to any other right or remedy existing at law or at equity or by virtue of this Contract.
- 21. **Severability**. Each provision of this Contract stands alone, and any provision of this Contract found to be prohibited by law will be ineffective to the extent of such prohibition without invalidating the remainder of this Contract.
- 22. Books and Records. Contractor will keep and maintain proper and complete books, records and accounts, which will be open at all reasonable times for inspection and audit by duly authorized representatives of County. In addition, Contractor will retain all records relating to this Contract for at least five (5) years after its expiration or termination or, if later, until any related pending proceeding or litigation has concluded.

23. Public Records.

- 23.1. **Disclosure**. Pursuant to A.R.S. § 39-121 et seq., and A.R.S. § 34-603(H) in the case of construction or Architectural and Engineering services procured under A.R.S. - 23.2. Records Marked Confidential; Notice and Protective Order. If Contractor reasonably believes that some of those records contain proprietary, trade-secret or otherwise-confidential information, Contractor must prominently mark those records "CONFIDENTIAL." In the event a public-records request is submitted to County for records marked CONFIDENTIAL, County will notify Contractor of the request as soon as reasonably possible. County will release the records 10 business days after the date of that notice, unless Contractor has, within that period, secured an appropriate order from a court of competent jurisdiction, enjoining the release of the records. - 24.3. Remedies for Breach of Warranty. Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, is a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor will be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion. Any additional costs attributable directly or indirectly to such remedial action are the responsibility of Contractor.
- 24.4. <u>Subcontractors</u>. Contractor will advise each subcontractor of County's rights, and the subcontractor's obligations, under this Section 24 by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to

Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. The Center, Scope of Work, year 1 (2023)

The Restorative Justice Conference Program (RJC), under The Pima County Attorney's Office, will foster a public-private collaboration structured to permanently change the way people arrested for certain low-level felonies and petty crimes are handled by the criminal justice system. The program will establish a relationship between prosecutors, public defenders and carefully selected participants that leads to a partnership with facilitators, counselors, and qualified volunteers to work to achieve behavioral change and minimize justice system involvement and disparities for highly represented groups. The goal is to help these individuals to put their lives back on track without incurring a criminal record and the unhealthy impact of an extended stay in jail. The way this is done is through a restorative justice circle conference process.

The Center for Community Mediation and Facilitation (known as The Center) is a volunteer-driven nonprofit organization that provides Tucson and Southern Arizona with skilled and affordable dialogue processes and trainings that seek to transform destructive conflict into productive connection and partnership. Their services include mediation, listening circles, facilitation, strategic planning, training, and restorative practices.

The **deliverables** provided by The Center for RJC program will be a 16-hour mandatory training for prospective volunteers who want to become involved with RJC. These volunteers, acting as either facilitators or "community members", alongside the RJC Program Coordinator, will effectively run the program. The trainings include but are not limited to: intro to restorative justice principles and practices, circle process training, facilitator training, mock conference preparation, program process, community member training, implicit-bias training. On-going trainings in relevant skill-building for volunteers will also be scheduled throughout the year (these trainings to include, but not limited to implicit bias training, anti-oppression/anti-racism training, facilitator training).

The schedule of the deliverables is projected as follows: The Center will provide 3 training sessions each year: the first session is scheduled for **June 17 & 18**, and **June 24 & 25 2023**. The other two trainings are scheduled for fall/winter 2023 and spring 2024. The on-going trainings will be scheduled intermittingly throughout the year. The Center Budget narrative for year 1 (attached) reflects costs these three mandatory trainings and the on-going trainings for year 1.
