I am Sharon Fickes, legal Pima County, Arizona citizen contact [REDACTED]
Following is my comment for the BOS meeting 7-2-24

Item #24 ILLEGALS supported by Pima County via Catholic Community Services \$1,512,248.589 (CT-GMI-24-485) Learn how to support the legal citizens of Pima County. Explore methods to pressure our State and Federal elected officials to close our Arizona/Mexico border. Previously, Jan Leshar confirmed that Pima County receives payment for managing the ILLEGALS contracts. Citizens need to see an accounting of the payments Pima County is receiving for being the fiscal agent funnelling funds to support ILLEGALS. **VOTE NO**

***** END BOS Meeting 7/2/24*****

God Bless America

Agenda item #24. Why should taxpayers be funding Catholic Community Services? We don't fund Catholic schools. Also, according to Secy Mayorkas, encounters are way down. Why indeed should we be facilitating illegal immigration or a huge influx of persons who are not properly vetted for security or medical risks, many of whom will be a long-term drain on our community?

Please act with our intentions in mind. Reminder you work for us.

Item #10

Please support this action, with the caveat that we must be extremely cautious about more and more private land being acquired by the government which can decide at a moments notice to exclude us.

Item #21

Vote **NO** on this item. Pima County, like the rest of the state and country, is in desperate need of economic relief, but not as an excuse to usher in the kind of centrally-controlled SMART megaregion which the Sun Corridor, Inc. seems to have in mind.

Item #22

VOTE **NO** the we will be happy to give financial support to DMAFB when we are certain that the US military is treating its own personnel appropriately and working to defend US citizens and not treat them as experiments or enemy combatants.

Item #24

VOTE **NO** it is time to stop accepting funding. Even Jan Leshner recommended against further grant funding.

Item #38

Vote **NO** on this item. Please support infrastructure and resources for people which enable them to transact in society as free human beings.

Very concerned citizen of Pima County.,
