Bronson, Elias, Valadez:

You did an excellent job of placing your political antics ahead of the safety of our Sheriff Deputies and Pima County voters. The three of you have hit a new low. I'm absolutely disgusted by your lack of admirable action.

My congrats to Ally Miller and Steve Christy for trying to do the right thing for those they serve, politics aside.

Sadly, Carmen Anita Wiswell (a proud daughter of legal immigrants)

Dear Supervisor Miller- Thank you for not voting against the \$1.4M Federal grant for border security. It is appalling that your colleague, Ramon Valadez, would, IN-LESS-THAN-24-HOURS after it was reported he and his Democratic cohorts voted against accepting the grant, suddenly recognize his responsibility to do his due diligence on the grant's uses, and change his mind (as reported in the AZ Daily Star this morning). What incompetence. Frankly, that's a load of BS anyway since grants such as these have been accepted in the past. Valadez and his liberal counterparts on this Board knew exactly what this grant entailed and how it was to be used. They went with the current "political wind" of their party in Washington -----and now that they've likely heard from REAL constituents in Pima County have had a sudden change-of-heart. Weak, unprincipled, unintelligent. Pima County could use the overtime pay funding, the jobs this might even create, the added security in a county that is plagued by drugs and drug trafficking from Mexico----and doesn't the "collaboration with Federal law enforcement agencies" satisfy the "no-voters" ideology on "collaboration" anyway?! Seems like the "joint effort" concept would fit nicely into their politically-correct lexicon. The rejection of this grant was almost unbelievable to me. I'd really like to know where the money would come from when new equipment or more personnel is needed after your board has rejected using

my ALREADY-PAID TAX money to the Federal government in the form of this grant? Maybe more taxes could be drawn from locally? Since we have such a THRIVING economy in Pima County, I'm sure the people of Pima County would not object. I am so SICK AND TIRED of watching the decisions of your board keep Tucson and Pima County down in so many ways. This is just the latest example of how idealized notions motivated by political persuasion from Democrats in Washington are clouding the judgment of those on your board, and trumping the needs of the people you and your colleagues are commissioned to serve here locally. There is no good reason to have rejected this grant. Plus, there is a lot more of our tax money in this grant than in the past, so TAKE IT, and use it to keep our county safe and running efficiently, with everything it needs to maintain border security and safety. I'd like this board to be practical instead of blindly partisan on this issue. Please encourage your colleagues on the Board to reconsider and then to accept the grant. Sincerely, Judy Beaumonte
