Subject: P20CA00001 Chacon – S. Mario Ranch Lane Plan Amendment

Dear Chairman Valadez:

On behalf of the owner, Norma Chacon, we respectfully request to extend the current hearing date (September 1, 2020) for the above-referenced case to the **September 15, 2020 Board of Supervisors** meeting to further address concerns raised by surrounding property owners and allow time for a video study of traffic patterns on Mario Ranch Lane. We have had two online virtual meetings, but attendance at both was poor, and we would like to provide additional time to attempt once again to connect with those that have submitted written comments. We have sent letters asking to meet or schedule a call with each individual and have reached out via phone to two neighbors that provided their phone number with their written comments to Development Services. We also plan to try sending individual emails as another means of hopefully starting a dialogue with anyone that has expressed concerns.

Sincerely,  
THE PLANNING CENTER

Brian Underwood  
Director of Planning
