RE: Re-Zoning meeting

P17R200002

I would like to request a continuance from the meeting on June 6 to the meeting on June 20, 2017. My old friend, Rudy Castro, has died and the funeral is on the 6th of June.

Thank you very much.

Of course, if you want to approve it without me there, it's OK. Again, thank you for all of your cooperation and help in facilitating this process.
