Scoping also includes the determination for environmental and right of way preliminary requirements. The Project cost, shown in Exhibit A, is estimated at \$40,000, which includes federal aid and the Local Agency's match. The State will administer the Scoping. Final design and construction will be addressed in a separate agreement as applicable.
4. The interest of the State in this Project is the acquisition of federal funds for the use and benefit of the Local Agency and authorization of such federal funds for the Project pursuant to federal law and regulations. The State shall be the designated agent for the Local Agency

for the Project, if the Project is approved by Federal Highway Administration (FHWA) and funds for the Project are available.

5. The foregoing Recitals and Exhibit A shall be incorporated into this Agreement.

If the final Project amount is less than the initial estimate, the difference between the final Project amount and the initial estimate will be de-obligated or otherwise released from the Project. The Local Agency acknowledges it remains responsible for actual costs and agrees to pay according to the terms of this Agreement.
2. The State will:
 - a. Execute this Agreement, and if the Project is approved by FHWA and funds for the Project are available, be the Local Agency's designated agent for the Project.

After the Project costs are finalized, invoice or reimburse the Local Agency for the difference between actual costs and the amount the Local Agency has paid for Scoping.
 - c. After receipt of the Local Agency's estimated share of the Project costs, submit all required documentation pertaining to the Project to FHWA with the recommendation that the maximum federal funds programmed for this Project be approved for Scoping. Should costs exceed the maximum federal funds available it is understood and agreed that the Local Agency will be responsible for any overage.

3. The Local Agency will:
 - a. Designate the State as the Local Agency's authorized agent for the Project.
 - b. Within 30 days of receipt of an invoice from the State, pay the Local Agency's share of Scoping costs, estimated at \$2,280. Be responsible and pay for the difference between

Should costs be deemed ineligible or exceed the maximum federal funds available, it is understood and agreed that the Local Agency is responsible for these costs; payment for these costs shall be made within 30 days of receipt of an invoice from the State.
- e. Automatically grant to the State, by execution of this Agreement, its agents and/or contractors, without cost, the temporary right to enter the Local Agency's rights of way, as required, to conduct any and all scoping related activities for the Project, on, to and over said Local Agency's rights of way. This temporary right will expire with completion of the Project.

2. Amendments. Any change or modification to the Project will only occur with the mutual written consent of both Parties.
3. Duration. The terms, conditions and provisions of this Agreement shall remain in full force and effect until completion of the Project and all related deposits and/or reimbursements are made.
4. Cancellation. This Agreement may be canceled at any time, so long as the canceling Party provides at least 30 days' written notice to the other Party. It is understood and agreed that, in the event the Local Agency terminates this Agreement, the Local Agency shall be responsible for all costs incurred by the State up to the time of termination. It is further understood and agreed that in the event the Local Agency terminates this Agreement, the State shall in no way be obligated to complete or maintain the Project.
5. Indemnification. The Local Agency shall indemnify, defend, and hold harmless the State, any of its departments, agencies, boards, commissions, officers or employees (collectively referred to in this paragraph as the "State") from any and all claims, demands, suits, actions, proceedings, loss, cost and damages of every kind and description, including reasonable attorneys' fees and/or litigation expenses (collectively referred to in this paragraph as the "Claims"), which may be brought or made against or incurred by the State on account of loss of or damage to any property or for injuries to or death of any person, to the extent caused by, arising out of, or contributed to, by reasons of any alleged act, omission, professional error, fault, mistake, or negligence of the Local Agency, its employees, officers, directors,

The Local Agency's obligations under this paragraph shall survive the termination of this Agreement.

6. Third-Party Indemnification. The State shall include Section 107.13 of the 2021 version of the Arizona Department of Transportation Standard Specifications for Road and Bridge Construction, incorporated into this Agreement by reference, in the State's contract with any and all contractors, of which the Local Agency shall be specifically named as a third-party beneficiary. This provision may not be amended without the approval of the Local Agency.
7. Programmed Federal Funds. The cost of scoping work under this Agreement is to be covered by the federal funds programmed for this Project, up to the maximum available. The Local Agency acknowledges that actual Project costs may exceed the maximum available amount of federal funds, or that certain costs may not be accepted by FHWA as eligible for federal funds. Therefore, the Local Agency agrees to pay the difference between actual costs of the Project and the federal funds received.

10. Federal Funding Accountability and Transparency Act. The Parties warrant compliance with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 Amendments (the "Act"). Additionally, in a timely manner, the Local Agency will provide information that is requested by the State to enable the State to comply with the requirements of the Act, as may be applicable.
