Subject: Grants in Pima County

This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

I live and work in Pima County, and am writing to you all to ask that you please accept any and all Grant Funding from: GOHS and Operation Stone Garden. I have seen the Positive Impact both of these Grants have made in Pima County, through the Pima County SD, AZ DPS, Tucson PD, Marana PD and Oro Valley PD. This funding doesn't cost Law Enforcement Agencies anything, and the deterrent in DUI's, Wrong Way Drivers, Drugs on our streets are incalculable. The loss of the Grants negatively impacts every citizen in Pima County.

Thank you for your consideration in this matter.
