Stop the collapse of our public infrastructure and services now before Pima County continues to maintain Tucson as a sanctuary city by feeding, housing, transporting, and providing medical assistance to "asylum seekers". I want you to make US (Pima County) Citizens a priority for all funding matters. Fix our roads, clean up our parks, enforce the laws to keep Citizens safe. You can do a much better job for each of us by changing the budget to reflect the needs of the taxpayers.
